Form 8-K Filed December 2, 2020

Item 9.01 Financial Statements, page 1

1. We note that you reported deferred tax assets of approximately \$2.7 million and \$20.3 million as of December 31, 2019 and September 30, 2020, respectively. We further note your reported losses in 2019 and the nine-months ended September 30, 2020. Please explain to us your consideration of ASC 740-10-30-16 to -24 in determining that the deferred tax assets do not require a valuation allowance. Include in your response an explanation of the nature of the deferred tax assets, how they typically reverse, and the sources of taxable income that you determined would be available to realize the tax benefit for deductible temporary difference. To the extent you relied on tax-planning strategies as a source of future taxable income, please explain to us your consideration of the conditions in ASC 740-10-30-19.
