Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit of the financial statement provides a reasonable basis for our opinion.

**Notes to Statement of Financial Condition**  
**December 31, 2023**

## **1. Organization and Nature of Business**

IEX Services LLC (the “Company”) is a broker-dealer registered with the Securities and Exchange Commission (the “SEC”) and is a member of various exchanges and the Financial Industry Regulatory Authority (“FINRA”). The Company is a Delaware limited liability company and a wholly-owned subsidiary of IEX Group, Inc. (“Parent”). During the year, the Company operated exclusively as the routing facility for its affiliate, Investors’ Exchange LLC (“Exchange”), which is a registered national stock exchange. The Company acts as an introducing broker and clears all transactions on a fully disclosed basis with a clearing broker.

## **2. Significant Accounting Policies**

### ***Basis of Presentation***

The statement of financial condition is prepared in accordance with accounting principles generally accepted in the United States (“U.S. GAAP”).

### ***Use of Estimates***

The preparation of the statement of financial condition in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the statement of financial condition. Actual results could differ materially from those estimates.

### ***Income Taxes***

The Company is included in the income tax returns filed by the Parent, which files as a C-corporation.

### ***Fair Value of Financial Instruments***

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, or an exit price. The amounts presented for financial assets and liabilities on the statement of financial condition are carried at fair value or at amounts that, because of their short-term nature, the Company believes approximate current fair value.

The fair value of the Company’s financial instruments is measured based on a three-level hierarchy:

- Level 1 — quoted prices for identical assets or liabilities in active markets.

- Level 2 — observable inputs, other than quoted prices included in Level 1, for the asset or liability, or prices for similar assets and liabilities.
- Level 3 — unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

All financial assets and liabilities are considered Level 2 under the fair value hierarchy, except for cash and cash equivalents which are considered Level 1.

### ***Recent Accounting Pronouncements***

The Company assessed ASU's issued by the FASB in 2023 and concluded that they are not applicable to the statement of financial condition.

## **3. Concentration of Credit Risk**

### ***Cash and Cash Equivalents***

Cash and cash equivalents consist of cash and highly liquid investments (such as short-term money market instruments) with original maturities of less than three months. The Company maintains cash and cash equivalent balances at a financial institution. Accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000 in the aggregate for each bank. At December 31, 2023, the Company had deposits at a financial institution in excess of FDIC limits of approximately \$6 million.

Cash equivalents of approximately \$4.2 million consist of money market funds.

### ***Credit Risk***

The Exchange is considered the sole customer of the Company, as the Company operates exclusively as the routing facility of the Exchange.

## **4. Receivable from Clearing Firm**

As of December 31, 2023, the Company had an amount receivable from its clearing firm, BofA Securities, Inc., of \$1,526,983. This balance consists of a \$1,500,000 security deposit, \$26,983 of interest, accumulated at the interest rate as defined in the clearing agreement.

## **5. Related Party Transactions**

### ***Software License and Expense Sharing Agreement***

Under the Tri-Party ESA, the Company will reimburse the Parent for all expenses related to the operation and maintenance of the Smart Order Router, including without limitation, licensing and registration fees, all costs of revenues, all assessments imposed by

regulators, banking fees, legal fees, taxes, rent for independent commercial space leases, all expenses to outside vendors, infrastructure and data center maintenance and software support and maintenance expenses (collectively, "SOR Expenses"). At December 31, 2023, amounts Payable to parent relating to the Tri-Party ESA were approximately \$305,000, payable within 30 days.

As part of the Tri-Party ESA, the Company agreed to be reimbursed on a monthly basis for SOR expenses incurred on behalf of Exchange. At December 31, 2023, amounts Due from affiliate relating to the Tri-Party ESA were approximately \$2.2 million, receivable within 30 days.

As part of the Tri-Party ESA, the Exchange agreed to be reimbursed on a monthly basis for personnel expenses incurred on behalf of the Company. At December 31, 2023, amounts Due to affiliate relating to the Tri-Party ESA were approximately \$312,000, receivable within 30 days.

### ***Capital Distributions and Contributions***

During 2023, the Company made capital distributions of approximately \$5.9 million to the Parent.

## **6. Share-Based Compensation**

The Parent maintains the 2012 and 2022 Equity Incentive Plans (the "Plans"), that were approved by the Parent's Board of Directors and Stockholders in June 2012 and June 2022, respectively. The Plans permit the grant of incentive stock options, non-statutory stock options, stock appreciation rights, restricted stock awards, restricted stock unit awards and other stock awards to employees, directors and consultants. The Parent issues shares from authorized but unissued or reacquired Common Stock. The fair value of Restricted Stock Units ("RSUs") and options is based on the most recent valuation completed by the Parent on the date of grant.

The Parent allocates stock compensation, salary and benefit expenses to Exchange through the Tri-Party ESA based upon services provided by the Parent's employees. In turn, Exchange allocates a portion of these expenses to the Company.

## **7. Net Capital**

The Company is subject to the SEC Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital at the greater of 6 2/3% of aggregate indebtedness or minimum net capital of \$5,000 at December 31, 2023.

At December 31, 2023, the Company had net capital of approximately \$4,141,000, which exceeded the minimum requirement of approximately \$234,000 by \$3,907,000. The Company's ratio of aggregate indebtedness to net capital was 0.85 to 1.

## **8. Commitments, Contingencies and Guarantees**

In the normal course of business, the Company may be subject to various legal actions, including arbitrations, class actions and other litigation, arising in connection with its activities as a broker-dealer. The Company may also be involved, from time to time, in other reviews, investigations, and proceedings (formal and informal) by governmental and self-regulatory agencies regarding the Company's business. Where available information indicates that it is probable a liability had been incurred at the date of financial statements and the Company can reasonably estimate the amount of that loss, the Company accrues the estimated loss by a charge to income. Management believes that the resolution of any unknown matter will not result in any materially adverse effect on the Company's financial position.

## **9. Subsequent Events**

The Company has evaluated subsequent events through the date the statement of financial condition was available to be issued and has determined that there are no subsequent events requiring disclosures or adjustments to the statement of financial condition.
