Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

Management's Report on Internal Control Over Financial Reporting, page 8

1. Please revise your report on internal control over financial reporting to include management's assessment of the effectiveness of internal control over financial reporting as of July 31, 2015 rather than July 31, 2014. 3. Any person who occupies more than one of positions specified in General Instruction (2)(a) is required to indicate each capacity in which he signs the report. As such, please revise the second signature block to identify that Mu Chun Lin signed the report in his capacities as director, principal executive officer, principal financial officer, and principal accounting officer. Refer to General Instruction D(2) to Form 10-K.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

You may contact Yolanda Guobadia at (202) 551-3562 or me at (202) 551-3344 with any questions.
