**Re: Advanced Environmental Petroleum Producers Inc.
Form 8-K
Filed March 14, 2017
File No. 000-55545**

Dear Mr. Kistler:

Our preliminary review of your filing indicates that it fails in numerous material respects to comply with the requirements of the Securities Exchange Act of 1934, the rules and regulations under that Act, and the requirements of the form. Please respond to this letter within ten business days by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your filing and the information your provide in response to this comment, we may have additional comments.

1. We note from the disclosure in the above-referenced Form 8-K that you have sold approximately 66% of your issued and outstanding shares to Oncolix, Inc., a Delaware corporation. We believe that, in addition to reporting the change of control transaction under Item 5.01 of Form 8-K, the transaction should also be reported under Item 1.01 as well as Item 2.01 of Form 8-K because, through the transaction, you have appear to have completed a business combination. As such, please amend the Form 8-K to provide the disclosure required by Items 1.01 and 2.01 of Form 8-K with respect to the transactions. We specifically highlight the disclosure required by Item 2.01(f) of Form 8-K, which requires disclosure of the information that would be required if you were filing a registration statement on Form 10.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
