In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of June 30, 2019, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

The information contained in Schedules I, II and III ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The Supplemental Information is the responsibility of the Company's management. Our audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. VCP ADVISORS LLC
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2019

1) NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT
ACCOUNTING POLICIES

Nature of Operations

VCP Advisors LLC (the "Company") is a broker-dealer registered with the Securities and Exchange Commission (SEC) and became a member of the Financial Industry Regulatory Authority (FINRA) on April 23, 2014. The Company was organized on August 9, 2013 in the State of New York and engages in the private placement of securities and corporate finance consulting to institutional investors. The Company's office is located in New York and its sole member is VCP Advisors Limited (the "Member"), a foreign company. The Company is exempt from rule 15c3-3 of the SEC under paragraph (k)(2)(i) of that rule.

Basis of Accounting

Revenues and expenses are recorded on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States.

Revenue Recognition

Placement fees are recognized at the point in time when the Company's performance under the terms of the contract arrangement is completed, which is typically at the closing of a transaction when all performance obligations have been met.

For advisory fees, the Company receives in advance of each transaction's closing or they are paid without a corresponding success fee. In these instances, revenue is recognized over time in which the performance obligations are simultaneously provided by the Company and delivered to and consumed by the customer.

Income Taxes

The Company has elected to be taxed as a C-Corporation pursuant to the Internal Revenue Code and applicable state laws. Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes. Income tax expense is based on income reported in the accompanying statements of income adjusted for differences that will enter into computation of taxes payable under applicable tax laws.

Deferred taxes are recognized for differences between the basis of assets and liabilities for financial statement and income tax purposes. Temporary differences giving rise to the deferred tax asset consist primarily of the excess of depreciation for tax purposes over the amount for financial reporting purposes and operating loss carry-forwards available to offset future taxable income. Deferred tax assets and liabilities are identified separately as current or noncurrent based on the classification of the related asset or liability. A deferred tax asset or liability not associated with an asset or liability for financial reporting purposes is classified as current or noncurrent according to the expected reversal date of the temporary difference.

VCP ADVISORS LLC
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2019

1) NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The Company accounts for certain tax positions in accordance with the Income Tax Topic of the FASB – Accounting Standards Codification. The Income Taxes Topic of the FASB - Accounting Standards Codification prescribes a recognition threshold and measurement process for financial statement recognition of uncertain tax positions taken or expected to be taken in a tax return. It also provides guidance related to uncertain tax positions such as recognition, de-recognition, classification, interest and penalties, accounting in interim periods, disclosure and transition.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclose contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Date of Management's Review

Management has evaluated subsequent events through the date the financial statements were available to be issued.

2) RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In February 2016, FASB issued ASU No. 2016-02, Leases (Topic 842), which supersedes the existing guidance for lease accounting. ASU 2016-02 requires lessees to recognize leases with terms longer than 12 months on their statements of financial condition. It requires different patterns of recording lease expense for finance and operating leases. It also requires expanded lease agreement disclosures. Lessor accounting is largely unchanged. ASC Topic 842 is effective for the Company beginning with its year ended June 30, 2020. The Company's lease is month-to-month, consequently ASC Topic 842 is not expected to have a material impact on the Company's financial statements and related disclosures.

Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") 2014-09, Revenue from Contracts with Customers; Topic 606, also referred to as Accounting Standards Codification Topic 606 ("ASC Topic 606"), supersedes nearly all existing revenue recognition guidance under GAAP. ASC Topic 606 requires a principle-based approach for determining revenue recognition. The core principle is that an entity should recognize revenue to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. ASC Topic 606 is effective for the Company beginning July 1, 2018. The Company determined that no transition adjustment as of that date was required for the one applicable contract balance due to collection uncertainty. This contract balance was collected in June 2019, and the revenue recognized during the year ended June 30, 2019.

VCP ADVISORS LLC
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2019

3) RELATED PARTY TRANSACTIONS

Pursuant to an expense sharing agreement (the "Agreement") dated April 2, 2014, the sole member allocates support services for the Company including, among others, employee compensation, office space, group insurance, and communications in the normal course of business.

The Company pays a monthly fee pursuant to the Agreement. For the year ended June 30, 2019, fees charged by the sole member totaled \$14,268 all of which was forgiven and treated as a contribution to capital. As of June 30, 2019 there was no payable.

4) CONCENTRATIONS OF RISK

The Company maintains its cash balances at a major financial institution. The balances are fully insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000.

The Company engages in various private placement services. In the event customers do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the customers. It is the Company's policy to review, as necessary, the credit standing of each customer. One customer accounted for 68% of the Company's private placement fees as well as 100% of the accounts receivable for the year ended June 30, 2019.

The Company's cash balances exceed insured limits at times. Cash was \$278,273 as of June 30, 2019 on the accompanying Statement of Financial Condition.

5) NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. As of June 30, 2019, the Company had net capital of \$369,840 which is \$364,840 in excess of required net capital of \$5,000. The Company's net capital ratio at June 30, 2019 is 0.0228 to 1.

5) ANNUAL REPORT ON FORM X-17A-5

The annual report to the Securities and Exchange Commission on Form 17A-5 is available for examination and copying at the Company's office and at the regional office of the Securities and Exchange Commission.

6) RENT EXPENSE

The Company is currently leasing its premises on a month to month basis beginning February 2, 2015. Rent expense for the year ended June 30, 2019 amounted to \$51,984.

VCP ADVISORS LLC
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2019

7) INDEMNIFICATIONS AND GUARANTEES

In normal course of its business, the Company indemnifies and guarantees certain service providers against specified potential losses in connection with their acting as an agent of, or providing services to, the Company or its affiliates. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements for these indemnifications.

The Company provides representations and warranties to counterparties in connection with a variety of commercial transactions and occasionally indemnifies them against potential losses caused by the breach of those representations and warranties. The Company may also provide standard indemnifications to some counterparties to protect them in the event additional taxes are owed or payments are withheld, due either to a change in or adverse application of certain tax laws. These indemnifications generally are standard contractual terms and are entered into in the normal course of business. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements for these indemnifications.

8) INCOME TAXES

Available net operating loss carry forwards were sufficient to offset taxable income for the year ended June 30, 2019. The company realized a \$4,002 tax benefit, for which a 100% allowance had been taken, accordingly no income tax provisions has been provided in the accompanying financial statements. The Company has a Federal net operating loss carry forward of approximately \$658,000, and the related deferred tax asset has been fully allowed for at June 30, 2019.

The Company continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law, and new authoritative rulings. As the Company has not filed its June 30, 2017 or 2018 tax returns, the June 30, 2016, 2017 and 2018 tax years of the Company remains subject to examination by US Federal and certain state and local tax authorities.

9) SUBSEQUENT EVENT

Subsequent to year end but prior to the issuance of these financial statements, the June 30, 2017 income tax return was filed.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Directors and Equity Owner of VCP Advisors LLC:

We have reviewed management's statements, included in the accompanying Assertions Regarding Exemption Provisions, in which (1) VCP Advisors LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which VCP Advisors LLC claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(i) (the "exemption provisions") and (2) VCP Advisors LLC stated that VCP Advisors LLC met the identified exemption provisions throughout the year ended June 30, 2019 without exception. VCP Advisors LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about VCP Advisors LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
