VERITAS INDEPENDENT PARTNERS, LLC

NOTES TO FINANCIAL STATEMENTS

December 31, 2016

NOTE 1- ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Business

Veritas Independent Partners, LLC (the “Company”) is an Arkansas limited liability company formed on September 9, 2013. The Company is affiliated with Cardinal Investment Group (“Cardinal”), a registered branch office of the Company, through common ownership. The Company is registered with the Securities and Exchange Commission (SEC), and licensed by the Financial Industry Regulatory Authority, Inc. (FINRA). The Company operates as a securities broker-dealer for mutual funds, variable annuities and investment advisory services. The Company carries no customer funds or securities and therefore is exempt from the reserve and possession or control requirements under Rule 15c3-3(k)(2)(i) of the Securities Exchange Act of 1934.

Revenue Recognition

The Company’s main source of revenue is mutual funds, variable annuities and investment advisory services. This revenue and the related commission expense are recognized on an accrual basis.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers investments with a maturity of three months or less to be cash equivalents.

Income Taxes

The Company is not a taxable entity and thus the financial statements do not include a provision for income taxes. The Company’s members are taxed on their respective share of the Company’s earnings.

The Company is required to determine whether a tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any tax related appeals or litigation processes, based on the technical merits of the position. The Company files an income tax return in the U.S. federal jurisdiction, and may file income tax returns in various U.S. states. The Company is not subject to income tax return examinations by major taxing authorities for years before 2013. The tax benefit recognized is measured as the largest amount of benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement. De-recognition of a tax benefit previously recognized results in the Company recording a tax liability that reduces net assets. However, the Company’s conclusions regarding this policy may be subject to review and adjustment at a later date based on factors including, but not limited to, on-going analyses of and changes to tax laws, regulations and interpretations thereof. The Company recognizes interest accrued related to unrecognized tax benefits and penalties related unrecognized tax benefits in income taxes payable, if assessed. No interest expense or penalties have been recognized as and for the year ended December 31, 2016.

EXEMPTION REVIEW REPORT

To the Board of Directors and
Shareholders of Veritas Independent
Partners, LLC

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Veritas Independent Partners, LLC (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(i), (the "exemption provisions") and (2) Management stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
