VERITAS INDEPENDENT PARTNERS, LLC

NOTES TO FINANCIAL STATEMENTS

December 31, 2019

NOTE 1- ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Business

Veritas Independent Partners, LLC (the “Company”) is an Arkansas limited liability company formed on September 9, 2013. The Company is affiliated with Cardinal Investment Group (“Cardinal”), a registered branch office of the Company and Tartan Properties through common ownership. The Company is registered with the Securities and Exchange Commission (SEC), and licensed by the Financial Industry Regulatory Authority, Inc. (FINRA). The Company operates as a securities broker-dealer for mutual funds, variable annuities and investment advisory services. The Company carries no customer funds or securities and therefore is exempt from the reserve and possession or control requirements under Rule 15c3-3(k)(2)(i) of the Securities Exchange Act of 1934.

Revenue Recognition

The Company’s main source of revenue is mutual funds, variable annuities and investment advisory services. This revenue and the related commission expense are recognized on an accrual basis.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers investments with a maturity of three months or less to be cash equivalents.

Income Taxes

The Company is not a taxable entity and thus the financial statements do not include a provision for income taxes. The Company’s members are taxed on their respective share of the Company’s earnings.

The Company is required to determine whether a tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any tax related appeals or litigation processes, based on the technical merits of the position. The Company files an income tax return in the U.S. federal jurisdiction, and may file income tax returns in various U.S. states. The Company is not subject to income tax return examinations by major taxing authorities for years before 2016. The tax benefit recognized is measured as the largest amount of benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement. De-recognition of a tax benefit previously recognized results in the Company recording a tax liability that reduces net assets. However, the Company’s conclusions regarding this policy may be subject to review and adjustment at a later date based on factors including, but not limited to, on-going analyses of and changes to tax laws, regulations and interpretations thereof. The Company recognizes interest accrued related to unrecognized tax benefits and penalties related unrecognized tax benefits in income taxes payable, if assessed. No interest expense or penalties have been recognized as of and for the year ended December 31, 2019.

NOTE 1- ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES(cont'd)

Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

NOTE 2 – NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. At December 31, 2019, the Company had net capital and net capital requirements of \$19,002 and \$5,000, respectively. The Company's net capital ratio (aggregate indebtedness to net capital) was 3.96 to 1. According to Rule 15c3-1, the Company's net capital ratio shall not exceed 15 to 1.

NOTE 3 – OPERATING LEASE

In May 2018, the Company entered into a lease agreement with Tartan Properties which will expire May 1, 2021. In addition, the future minimum lease payments for the years ending December 31, 2020 through 2021 are as follows:

2020	9,120
2021	3,040

Rental expense was \$9,690 for the year ended December 31, 2019.

NOTE 4 – RELATED PARTY TRANSACTIONS

The Company is affiliated with Cardinal Investment Group ("Cardinal"), a registered branch office of the Company and Tartan Properties through common ownership.

The Company has an expense sharing agreement ("ESA") with Cardinal. Under the agreement, the Company pays an allocation of Cardinal's utilities.

The Company entered into a lease agreement with Tartan Properties which will expire May 1, 2021 (see Note 3).

At December 31, 2019 there were related party payables of \$13,931 that are commissions due to the members of the Firm. The Firm has recorded \$66,618 as payroll expense and \$268,929 as commission expense paid to members for 2019.

VERITAS INDEPENDENT PARTNERS, LLC

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 5 – FINANCIAL INSTRUMENTS, OFF-BALANCE SHEET RISK AND CONTINGENCIES

The Company's financial instruments, including cash and cash equivalents, accounts receivable and other assets and accounts payable are carried at amounts that approximate fair value due to the short-term nature of those instruments.

NOTE 6 – SUBSEQUENT EVENTS

The Company has performed an evaluation of subsequent events through the date the financial statements were issued. The evaluation did not result in any subsequent events that required disclosures and/or adjustments.

NOTE 7- RECENT ACCOUNTING PRONOUNCEMENT

Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") 2014-09, Revenue from Contracts with Customers: Topic 606, also referred to as Accounting Standards Codification Topic 606 ("ASC Topic 606"), supersedes nearly all existing revenue recognition guidance under GAAP. ASC Topic 606 requires a principle-based approach for determining revenue recognition. The core principle is that an entity should recognize revenue to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. ASC Topic 606 is effective for the Company as of its year ended December 31, 2018. ASC Topic 606 had no material impact on the Company's financial statements.

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842), which supersedes the existing guidance for lease accounting. ASU 2016-02 requires lessees to recognize leases with terms longer than 12 months on their balance sheets. It requires different patterns of recording lease expense for finance and operating leases. It also requires expanded lease agreement disclosures. Lessor accounting is largely unchanged. ASU 2016-02 is not effective for the Company as of its year ending December 31, 2019. Management has determined that ASU 2016-02 did not have a material impact on the Company's financial statements.

There were no other new accounting pronouncements during the year ended December 31, 2019 that we believe would have a material impact on our financial position or results of operations

Report of Independent Registered Public Accounting Firm

To the Members of
Veritas Independent Partners, LLC

We have reviewed management's statements, included in the accompanying Veritas Independent Partners, LLC's Exemption Report, in which (1) Veritas Independent Partners, LLC's identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i)/(k)(2)(ii) (the "exemption provisions") and (2) the Company stated that they met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i)/(k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
