VERITAS INDEPENDENT PARTNERS, LLC

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

NOTE 1- ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Business

Veritas Independent Partners, LLC (the “Company”) is an Arkansas limited liability company formed on September 9, 2013. The Company is affiliated with Cardinal Investment Group (“Cardinal”), a registered branch office of the Company and Tartan Properties through common ownership. The Company is registered with the Securities and Exchange Commission (SEC), and licensed by the Financial Industry Regulatory Authority, Inc. (FINRA). The Company operates as a securities broker-dealer for mutual funds, variable annuities, and investment advisory services.

15c3-3 Exemption

The Company carries no customer funds or securities and therefore is exempt from the reserve and possession or control requirements under Rule 15c3-3(k)(2)(i) of the Securities Exchange Act of 1934. The Company identified the provisions of Footnote 74 under which the Company is not required to claim an exemption from 17 C.F.R. 240.15c3-3. The Company met the identified provisions of Footnote 74 for the period November 19, 2020, through December 31, 2020.

Revenue Recognition

The Company’s main source of revenue is mutual funds, variable annuities and investment advisory services. This revenue and the related commission expense are recognized on an accrual basis.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers investments with a maturity of three months or less to be cash equivalents.

NOTE 1- ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES(cont'd)

Income Taxes

The Company is not a taxable entity and thus the financial statements do not include a provision for income taxes. The Company's members are taxed on their respective share of the Company's earnings.

The Company is required to determine whether a tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any tax related appeals or litigation processes, based on the technical merits of the position. The Company files an income tax return in the U.S. federal jurisdiction, and may file income tax returns in various U.S. states. The Company is not subject to income tax return examinations by major taxing authorities for years before 2017. The tax benefit recognized is measured as the largest amount of benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement. De-recognition of a tax benefit previously recognized results in the Company recording a tax liability that reduces net assets. However, the Company's conclusions regarding this policy may be subject to review and adjustment at a later date based on factors including, but not limited to, on-going analyses of and changes to tax laws, regulations and interpretations thereof. The Company recognizes interest accrued related to unrecognized tax benefits and penalties related unrecognized tax benefits in income taxes payable, if assessed. No interest expense or penalties have been recognized as of and for the year ended December 31, 2020.

Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

Leases

The Company's accounting and reporting of its leases complies with FASB ASC 842, Lease. See Note 3.

NOTE 2 – NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. At December 31, 2020, the Company had net capital and net capital requirements of \$40,977 and \$7,959, respectively. The Company's net capital ratio (aggregate indebtedness to net capital) was 2.91 to 1. According to Rule 15c3-1, the Company's net capital ratio shall not exceed 15 to 1.

VERITAS INDEPENDENT PARTNERS, LLC

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

Effective December 1, 2020, the Company adopted the new FASB accounting standard ASC 842, Leases, which governs the accounting and reporting of leases by lessees. Lessor accounting and reporting is largely unchanged. ASC 842 generally applies to lease that have a lease term greater than 12 months at lease commencement, or that include an option to purchase the underlying asset the Company is reasonably certain to exercise. ASC 842's principal changes are: 1) recognizing leases on the Statement of Financial Condition by recording a Right-of-use asset and a Lease liability; 2) changes in lease expense recognition during the lease term based on its classification as an Operating lease or Finance lease; 3) expanded disclosures of lease agreements, cost and other matters. See Note 4.

NOTE 4 – LEASES

The Company is a lessee in a non-cancelable operating lease for office space subject to ASC 842, Leases. The lease agreement does not include a termination or renewal option for either party, or restrictive financial or other covenants. The non-cancelable operating lease is set to expire on May 1, 2021.

NOTE 5 – RELATED PARTY TRANSACTIONS AND COMMITMENTS

The Company is affiliated with Cardinal Investment Group ("Cardinal"), a registered branch office of the Company and Tartan Properties through common ownership.

The Company has an expense sharing agreement ("ESA") with Cardinal. Under the agreement, the Company pays an allocation of Cardinal's utilities.

The Company entered into a lease agreement with Tartan Properties which will expire May 1, 2021.

At December 31, 2020 there were related party payables of \$21,972 that are commissions due to the members of the Firm. The Firm has recorded \$60,000 as payroll expense and \$226,828 as commission expense paid to members for 2020.

NOTE 6 – FINANCIAL INSTRUMENTS, OFF-BALANCE SHEET RISK AND CONTINGENCIES

The Company's financial instruments, including cash and cash equivalents, accounts receivable and other assets and accounts payable are carried at amounts that approximate fair value due to the short-term nature of those instruments.

NOTE 7 - PAYCHECK PROTECTION PROGRAM LOAN

During the 12 months ended December 31, 2020 the Company borrowed \$18,650 under the Paycheck Protection Program (PPP) established by the Coronavirus Aid, Relief, and Economic Security Act sponsored by the United States and administered by the Small Business Administration (the “SBA”).

The loan is subject to a note dated April 13, 2020 and may be forgiven to the extent proceeds of the loan are used for eligible expenditures such as payroll and other expenses described in the CRAES Act. The loan bears interest at a rate of 1% and is payable in monthly installments of principal and interest over 24 months beginning 6 months for the date of the note. The loan may be repaid at any time with no prepayment penalty. The Company has utilized the entirety of the proceeds of this loan to pay expenses covered by the PPP as of December 31, 2020.

Report of Independent Registered Public Accounting Firm

To the Members of
Veritas Independent Partners, LLC

We have reviewed management's statements, included in the accompanying Veritas Independent Partners, LLC's Exemption Report, in which (1) Veritas Independent Partners, LLC's identified the following provisions of 17 C.F.R. under which the Company claimed an exemption from 17 C.F.R. §240.17a-5 under footnote 74 of 17a-5 (the "exemption provisions") and (2) the Company stated that they met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in SEC Footnote 74 of SEC Rule 17a-5 under the Securities Exchange Act of 1934.

**EXEMPTION REPORT
REQUIREMENT FOR BROKER/DEALERS UNDER
RULE 17a-5 OF THE SECURITIES EXCHANGE ACT OF 1934**

DECEMBER 31, 2020

Veritas Independent Partners, LLC (the "Company") is a registered broker-dealer subject to Rule 17a-5 promulgated by the Securities and Exchange Commission (17 C.F.R. §240.17a-5, "Reports to be made by certain brokers and dealers"). This Exemption Report was prepared as required by 17 C.F.R. §240.17a-5(d)(1) and (4).

To the best of its knowledge and belief, the Company states the following:

(1) The Company does not claim an exemption under paragraph (k) of 17 C.F.R. § 240.15c3-3, and

(2) The Company is filing this Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to: (1) effecting securities transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; and the Company (1) did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, (other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company); (2) did not carry accounts of or for customers; and (3) did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.
