SUBJECTGUESS WHAT? You can now own a part of Offline

Happy Monday, {{customer.first_name}}!

David here, founder of Offline, and I wanted to share some really exciting news. Watch the video below

For the last few months, we've been prepping an equity crowdfunding campaign, and we're excited to share that this campaign is now in private launch and as an Offline subscriber, you're finding out about it before the rest of the world.

VIEW THE PRIVATE LAUNCH

Equity crowdfunding allows you to actually become an investor and shareholder alongside people who professionally invest in startups. It's not like Kickstarter where you'd be buying a CD or a T-shirt or something in advance and fronting us the money to produce it.

If you believe in what we're creating, I'm asking you to consider becoming an investor.

Take a look at the page, and don't be shy with questions! Wefunder has a cool "Ask a Question" feature and I'll be here ready to answer your questions.

See you on the other side,

DAVID SHANER
Founder & CEO

We are looking for investors to prepay investment interest in an offering under Regulation Crowdfunding. No money or other consideration is being solicited. If used, it will not be accepted. No offer to buy securities will be accepted. No part of the purchase price will be received until a Terms Sheet is issued and only through Wefunder's platform. Any indication of interest involves no obligation or commitment of any kind.
