**Re: Platform Specialty Products Corporation
Registration Statement on Form S-3
Filed July 12, 2016
File No. 333-212480**

Dear Mr. Capps:

We have limited our review of your registration statement to the issue we have addressed in our comment below.

General

1. Please be advised that we will not be in a position to take action on the registration statement until you have resolved all outstanding staff comments on your Form 10-K for the fiscal year ended December 31, 2015.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Act of 1933 and all applicable Securities Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In the event you request acceleration of the effective date of the pending registration statement, please provide a written statement from the company acknowledging that:

- should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing;
- the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the company from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and

John E. Capps
Platform Specialty Products Corporation

- the company may not assert staff comments and the declaration of effectiveness as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

Please refer to Rules 460 and 461 regarding requests for acceleration. We will consider a written request for acceleration of the effective date of the registration statement as confirmation of the fact that those requesting acceleration are aware of their respective responsibilities under the Securities Act of 1933 and the Securities Exchange Act of 1934 as they relate to the proposed public offering of the registered securities.

Please contact Frank Pigott at 202-551-3570 or me at 202-551-3397 with any questions.

Sincerely,

/s/ Jay Ingram
