Amendment No. 3 to Registration Statement on Form S-1
Filed May 25, 2016
File No. 333-210436**

Dear Weeraratne:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless otherwise indicated, our references to prior comments are to comments in our May 13, 2016 letter.

General

1. We note that in response to our comment 2 that you have revised your risk factors to indicate that you will repay the promissory note issued to the investor with existing funds and future cash proceeds. However, later in your registration statement, at page 13, you state that the promissory note was executed in connection with the equity purchase agreement. Please revise your disclosure to include a representation that (i) you have the ability to repay the promissory note without recourse to the monies received or to be received under the equity purchase agreement and (ii) the amount of indebtedness will not be reduced or relieved by the issuance of shares under the equity purchase agreement.

Investment Company Status

2. The staff of the Division of Investment Management has reviewed your response to prior comment 7 and asks that you provide the following additional information:

 - b. Prior to the spinoff, which was effective May 31, 2016, did NGFC have any kind of security or ownership interest in NGLP?
 - c. If not, please explain how NGFC spun off an entity in which it has no ownership interest?
 - d. What did NGFC give to its shareholders in connection with the NGLP spinoff?
 - e. Why was/is NGLP consolidated on NGFC's financial statements?
 - f. Please describe the advisory relationship between NGFC and NGLP both before and after the spinoff. In addition to other information necessary to explain the relationship, please indicate what compensation NGLP provided NGFC for serving as general partner.
 - g. Will NGFC be entitled to 30% of NGLP limited partnership distributions and gains going forward?
 - h. What consideration was provided in connection with Mr. Weeraratne taking over as general partner of NGLP?
 - i. How will Mr. Weeraratne be compensated as general partner of NGLP?
 - j. Does NGFC have any kind of security or ownership interest in NGLP now, post-spinoff (e.g., does NGFC hold any limited partnership interest in NGLP)?
 - k. Has NGLP been in compliance with the requirements of Section 3(c)(1) of the Investment Company Act both before and after the spinoff? Please include an explanation with your response indicating how NGLP complied with the referenced code section or why the company did not comply.
1. Now that the spinoff is effective, will NGFC update the explanation of its relationship to NGLP in its public disclosure (e.g., registration statement, the company's website, etc.)?
