Dear Mr. Kelly:

We have limited our review of your registration statement to those issues we have addressed in our comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. Where you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments.

General

1. Please provide us an analysis regarding your eligibility to use Form F-1. Address in your response the statement on page 52 of your Form 20-F for the fiscal year ended December 31, 2016 which states that about "58% of the common shares were held by residents of the U.S." Also separately address the requirements in paragraph (1)(ii) of the foreign private issuer definition in Securities Act Rule 405.
2. We note that you have a pending request for confidential treatment. Please be advised that we will not be in a position to declare your registration statement effective until all outstanding comments, if any, on your request for confidential treatment have been cleared.
