Schedule 13D Filed April 29, 2024

General

1. We note that the cover page of the Schedule 13D does not include the date of the event requiring the filing of the Schedule 13D. Please revise to specify the reported event date. Rule 13d-1(a) of Regulation 13D-G requires the filing of a Schedule 13D within five business days after the date beneficial ownership of more than five percent of a class of equity securities specified in Rule 13d-1(i)(1) was acquired. If the Schedule 13D was not filed within the required five business days after the date of the acquisition, please advise us why the Schedule 13D was not timely filed.
2. On the cover pages and under Item 5 of the Schedule 13D, we note that each reporting person has disclosed its beneficial ownership of both BioRegenx, Inc.'s common shares and its Series A preferred shares. Rule 13d-1(a) of Regulation 13D-G only requires the filing of a Schedule 13D when a person acquires beneficial ownership of more than five percent of any equity security of a class which is specified in Rule 13d-1(i)(1). A preferred shares do not appear to be a class of equity securities under Rule 13d-1(i)(1). Please revise to remove references to the beneficial ownership of Series A preferred shares to avoid the impression that they are a separate class of reportable equity securities, or otherwise advise. If such Series A preferred shares are convertible into BioRegenx, Inc.'s common stock within sixty days, please also revise the reported beneficial ownership of common shares to reflect this right to acquire common shares. See Rule 13d-3(d)(1)(i) of Regulation 13D-G.

We remind you that the filing persons are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
