REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members of
Manor Park Securities LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Manor Park Securities LLC (the "Company") as of December 31, 2023, and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2023, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Manor Park Securities LLC
Notes to Financial Statement
December 31, 2023

1. Organization and Nature of Business

Manor Park Securities LLC, a New York limited liability company (the "Company"), is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority. The Company's primary business provides a range of advisory services in connection with mergers, acquisitions, capital raising and certain other corporate finance matters to clients in the healthcare and technology industries, including corporations, limited liability companies, partnerships, institutions, and high net worth individuals. The Company focuses on advising on solutions for clients' complex financial concerns, providing advice to senior management, boards of directors and business owners and institutions in transactions that typically are of significant strategic and financial importance to them. In connection therewith, the Company engages in private placements, mergers and acquisitions and advisory services.

The Company will raise equity and debt or other forms of capital for its healthcare and technology clients through private placements with institutions including, but not limited to, corporate investors, private equity funds, venture capital funds, family offices, and high net worth individuals.

2. Summary of Significant Accounting Policies

Basis of Presentation

These financial statements are prepared in conformity with accounting principles generally accepted in the United States of America ("US GAAP") which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk

All cash deposits are held by one financial institution and, therefore, are subject to the credit risk at the financial institution. The Company has not experienced any losses in such accounts and does not believe there to be any significant credit risk with respect to these deposits.

Income Taxes

The Company is a limited liability company and is treated as a partnership for federal income tax reporting purposes. The Internal Revenue Code provides that any income or loss is passed through to the ultimate beneficial individual members for federal, state and certain local income taxes. Accordingly, the Company has not provided for income taxes.

The Company recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, *Income Taxes*. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change. At December 31, 2023, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will be subject to ongoing reevaluation as facts and circumstances may require.

2. Summary of Significant Accounting Policies (continued)

Employee Benefits

The Company maintains a Simplified Employee Pension (SEP) plan for eligible employees. For the year ended December 31, 2023 the Company accrued \$17,215 as a contribution to be made to the SEP.

The Allowance for Credit Losses

ASC Topic 326, Financial Instruments – Credit Losses (“ASC 326”) impacts the impairment model for certain financial assets by requiring a current expected credit loss (“CECL”) methodology to estimate expected credit losses over the entire life of the financial asset. Under ASC 326, the Company could determine there are no expected credit losses in certain circumstances (e.g., based on the credit quality of the client).

The allowance for credit losses is based on the Company's expectation of the collectability of financial instruments, including fees and other receivables utilizing the CECL framework. The Company considers factors such as historical experience, credit quality, age of balances and current and future economic conditions that may affect the Company's expectation of the collectability in determining the allowance for credit losses. Under the standard, the allowance for credit losses must be deducted from the amortized cost of the financial asset to present the net amount expected to be collected.

The Company has not provided an allowance for credit losses at December 31, 2023.

3. Regulatory Requirements

The Company is subject to the SEC Uniform Net Capital Rule 15c3-1 which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2023, the Company had net capital of approximately \$20,000 which was approximately \$15,000 in excess of its required net capital of \$5,000.

The Company does not hold customers' cash or securities and, therefore, has no obligations under SEC Rule 15c3-3 under the Securities Exchange Act of 1934.

4. Related Party

The Company is dependent on its access to funding from the members. The members intend to continue to fund the operational and regulatory needs of the Company for at least one year after the issuance of the financial statements.

Various company administrative or overhead expenses are provided by one of its members without charge to the company.
