Financial Statements, page F-1

Statements of Operations, page F-4

1. We note the adjustments you made to your financial statements in the most recent amendment related to the elimination of cost of sales when no sales occurred. However, it appears that you have made certain adjustments to your statement of cash flow such that it does not tie to the ending balance of cash. Specifically, it appears you have not compensated for the increase in inventory during the period. Please revise or explain in detail your accounting entries.

Financial Statements – April 30, 2014, page F-11

2. Please update your interim financial statements to comply with Rule 8-08 of Regulation S-X.
