Re: Guggenheim Defined Portfolios, Series 1192
File Nos. 333-195537 and 811-03763

Dear Mr. Fess:

On April 28, 2014, you filed a registration statement on Form S-6 for Guggenheim Defined Portfolios, Series 1192 (the "Fund"), consisting of a unit investment trust, BofA Merrill Lynch cap-X Factor for 2014 (the "Trust"). We have reviewed the registration statement, and have provided our comments below. For convenience, we generally organized our comments using headings and defined terms from the registration statement. Where a comment is made in one location, it is applicable to all similar disclosure appearing elsewhere in the registration statement.

PROSPECTUS

Investment Summary — Principal Investment Strategy

1. This section discloses that the Trust will invest in stocks that are considered the most attractive and well-positioned for an environment of increased capital expenditures. Please disclose in the summary of principal risks the possibility that an environment of increased capital expenditures may fail to occur during the lifetime of the Trust, and the likely effects this would have on the Trust's investments.

2. This section also states that the Trust may invest in U.S.-listed foreign companies and real estate investment trusts. Please disclose the risks associated with these types of investments in the summary of principal risks.

GENERAL COMMENTS

3. We note that portions of the filing are incomplete. We may have additional comments on such portions when you complete them in pre-effective amendments, on disclosures made in response to this letter, on information you supply to us, or on exhibits added in any pre-effective amendments.

4. Responses to this letter should be in the form of a pre-effective amendment filed pursuant to Rule 472 under the Securities Act of 1933. Where no change will be made in the filing in response to a comment, please indicate this fact in a letter to us and briefly state the basis for your position.

5. We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing reviewed by the staff to be certain that they have provided all information investors require to make an informed decision. Since the Fund and its sponsor are in possession of all facts relating to the Fund's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

Notwithstanding our comments, in the event the Fund requests acceleration of the effective date of the pending registration statement, it should furnish a letter, at the time of such request, acknowledging that

- should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing;

- the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the Fund from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and

- the Fund may not assert this action as a defense in any proceeding initiated by the Commission or any person under federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Investment Management in connection with our review of your filing or in response to our comments on your filing.

We will consider a written request for acceleration of the effective date of the registration statement as a confirmation of the fact that those requesting acceleration are aware of their respective responsibilities. We will act on the request and, pursuant to delegated authority, grant acceleration of the effective date.
