Amendment No. 6 to Registration Statement on Form S-3

Our Business, page 1

1. We note your disclosure on the cover page; however, please also disclose in the prospectus summary each permission or approval that you and your subsidiaries are required to obtain from Chinese authorities to operate your business and to offer the securities being registered to foreign investors. State whether you and your subsidiaries are covered by permissions requirements from the China Securities Regulatory Commission (CSRC), Cyberspace Administration of China (CAC) or any other governmental agency, and state affirmatively whether you have received all requisite permissions or approvals and whether any permissions or approvals have been denied.

2. Throughout the prospectus summary, please provide specific cross-references to the detailed risk factors.
3. Update your summary of risk factors to include the risk that the Chinese government may intervene or influence your operations at any time. In addition, please specifically cross-reference the section of your risk factors entitled "Risks Related to Doing Business in Hong Kong and China."

Risk Factors, page 9

4. Update your disclosure to reflect that the Commission adopted rules to implement the HFCAA and that, pursuant to the HFCAA, the PCAOB has issued its report notifying the Commission of its determination that it is unable to inspect or investigate completely accounting firms headquartered in mainland China or Hong Kong.
5. Expand your disclosure to address whether the PCAOB is able to inspect the audit workpapers of the company's China subsidiaries and the implications to the company.

You may contact Alexandra Barone, Staff Attorney, at 202-551-8816 or Jan Woo, Legal Branch Chief, at 202-551-3453 if you have questions.
