ROSELAIN SECURITIES LLC

NOTES TO STATEMENT OF FINANCIAL CONDITION

YEAR ENDED DECEMBER 31, 2022

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization – Roselaine Securities LLC (the “Company”), wholly owned by DJT Development LLC a limited liability company, was organized in the state of Delaware on February 19, 2014. The Company is registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority (FINRA). The Company's principal business activity is raising capital for private investment funds.

Basis of Presentation - The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”).

Recognition of Revenue – The Company follows the revenue recognition guidance that requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies the performance obligation.

Revenues are recognized in accordance with the accounting guidance when persuasive evidence of an arrangement exists, the performance obligation has been met, the fee is fixed or determinable, and collection is reasonably assured.

Significant Judgments - The recognition and measurement of revenue is based on the assessment of individual contract terms. Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company’s progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

Concentrations of Credit Risk - The Company’s cash is on deposit at one financial institution and the balances at times may exceed the federally insured limits. The Company believes it is not exposed to any significant credit risk to cash.

ROSELAIN SECURITIES LLC

NOTES TO STATEMENT OF FINANCIAL CONDITION

YEAR ENDED DECEMBER 31, 2022

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES - *Continued*

Leases – The Company adopted ASU 2016-02 *Leases – (Topic 842)*. ASU 2016-02 requires the recognition of lease assets and lease liabilities on the balance sheet related to the rights and obligations created by lease agreements, including those leases classified as operating leases under previous GAAP, along with the disclosure of key information about leasing arrangements. The Company has elected not to recognize leases with terms of 12 months or less. This standard had no material impact on the Company’s financial position and results of operations. At December 31, 2022, the Company did not have any lease obligations.

Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - RELATED PARTY TRANSACTIONS

The Company is also affiliated through common management with Tang Media Partners, LLC (TMP). The Company has an expense sharing agreement with TMP for offices space, technology and related support, equipment and other office services. The agreement is in effect until terminated by either party with a thirty-day written notice. The Company paid \$28,160 in fees the year ended December 31, 2022.

NOTE 3 - NET CAPITAL REQUIREMENTS

As a registered broker/dealer and member of FINRA, the Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500%. Net capital and aggregate indebtedness change from day to day, but at December 31, 2022, the Company had net capital and a net capital requirement of \$4,141,988 and \$5,000, respectively. The ratio of aggregate indebtedness to net capital was .05%.

The Company accounts for any potential interest or penalties related to possible future liabilities for unrecognized income tax benefits as other expense. The Company is no longer subject to examination by tax authorities for federal, state or local income taxes for periods before 2019.

NOTE 5 – OPERATING AGREEMENT

The Company's operating agreement places certain restrictions on the transfer of ownership interests. Additional information is included therein .

NOTE 6 – BUSINESS CONCENTRATIONS
