The undersigned, being all of the members of the Board of Directors (the “**Board**”) of Business Development Corporation of America II, a corporation organized under the laws of the State of Maryland (the “**Corporation**”), acting pursuant to Bylaws of the Corporation, and Section 2-408(c) of the Maryland General Corporation Law authorizing actions to be taken by the Board by unanimous written consent in lieu of a meeting, hereby adopt, by unanimous written consent, the following resolutions with the same force and effect as if they had been unanimously adopted at a duly convened meeting of the Board and direct that this unanimous written consent be filed with the minutes of the proceedings of the Board.

APPROVAL OF FIDELITY BOND

WHEREAS, Section 17(g) of the Investment Company Act of 1940, as amended (the “**1940 Act**”), and Rule 17g-1(a) thereunder, require an investment company, such as the Corporation, to provide and maintain a bond issued by a reputable fidelity insurance company, authorized to do business in the place where the bond is issued, to protect the Corporation against larceny and embezzlement, covering each officer and employee of the Corporation who may singly, or jointly with others, have access to the securities or funds of the Corporation, either directly or through authority to draw upon such funds of, or to direct generally, the disposition of such securities, unless the officer or employee has such access solely through his position as an officer or employee of a bank (each, a “**covered person**”); and

WHEREAS, Rule 17g-1 under the 1940 Act (“**Rule 17g-1**”) specifies that the bond may be in the form of (i) an individual bond for each covered person, or a schedule or blanket bond covering such persons, (ii) a blanket bond which names the Corporation as the only insured (a “**single insured bond**”), or (iii) a bond which names the Corporation and one or more other parties as insureds, as permitted by Rule 17g-1; and

WHEREAS, Rule 17g-1 requires that a majority of the directors who are not “interested persons” (as defined in the 1940 Act) of the investment company (the “**Independent Directors**”) approve periodically (but not less than once every 12 months) the reasonableness of the form and amount of the bond, with due consideration to all relevant factors, including, but not limited to, the value of the aggregate assets of the Corporation to which any covered person may have access, the type and terms of the arrangements made for the custody and safekeeping of such assets, and the nature of securities and other investments to be held by the Corporation; and

WHEREAS, under Rule 17g-1, the Corporation is required to make certain filings with the Securities and Exchange Commission and give certain notices to each member of the Board

in connection with the bond, and designate an officer who shall make such filings and give such notices; and

WHEREAS, the Board has considered the expected aggregate value of the securities and funds of the Corporation to which officers or employees of the Corporation may have access (either directly or through authority to draw upon such funds or to direct generally the disposition of such securities), the type and terms of the arrangements made for the custody of such securities and funds, the nature of securities and other investments to be held by the Corporation, the accounting procedures and controls of the Corporation, the nature and method of conducting the operations of the Corporation, and the requirements of Section 17(g) of the 1940 Act and Rule 17g-1 thereunder, and has agreed that the amount, type, form, premium and coverage, covering the officers and employees of the Corporation and insuring the Corporation against loss from fraudulent or dishonest acts, including larceny and embezzlement, issued by Federal Insurance Company with an aggregate coverage in the amount of \$50,000 would be appropriate; and

WHEREAS, the Independent Directors of the Corporation have considered the expected aggregate value of the securities and funds of the Corporation to which officers or employees of the Corporation may have access (either directly or through authority to draw upon such funds or to direct generally the disposition of such securities), the type and terms of the arrangements made for the custody of such securities and funds, the nature of securities and other investments to be held by the Corporation, the accounting procedures and controls of the Corporation, the nature and method of conducting the operations of the Corporation, and the requirements of Section 17(g) of the 1940 Act and Rule 17g-1 thereunder, and have agreed that the amount, type, form, premium and coverage, covering the officers and employees of the Corporation and insuring the Corporation against loss from fraudulent or dishonest acts, including larceny and embezzlement, issued by Federal Insurance Company with an aggregate coverage in the amount of \$50,000 would be appropriate; and

WHEREAS, the Board has received a copy of the draft single insured bond which provides bond coverage for the officers and employees of the Corporation (the “*Fidelity Bond*”).

NOW, THEREFORE, BE IT RESOLVED, the Board, including a majority of the Independent Directors, hereby adopts and approves in all respects the Fidelity Bond, in substantially the form previously provided to the Board, with such modifications as any authorized officer shall, with the advice of counsel, approve, such approval to be conclusively evidenced by the execution and delivery thereof; and it is further

RESOLVED, that the authorized officers be, and each of them hereby is, authorized and empowered to execute and deliver, in the name of the Corporation and on its behalf, the Fidelity Bond; and it is further

RESOLVED, that the Chief Compliance Officer of the Corporation be, and hereby is, designated as the party responsible for making the necessary filings and giving the notices with respect to the Fidelity Bond required by paragraph (g) of Rule 17g-1.

**POLICYHOLDER
DISCLOSURE NOTICE OF
TERRORISM INSURANCE COVERAGE**
(for policies with no terrorism exclusion or sublimit)

You are hereby notified that, under the Terrorism Risk Insurance Act (the “Act”), effective December 26, 2007, this policy makes available to you insurance for losses arising out of certain acts of terrorism. Terrorism is defined as any act certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that the insurance provided by your policy for losses caused by acts of terrorism is partially reimbursed by the United States under the formula set forth in the Act. Under this formula, the United States pays 85% of covered terrorism losses that exceed the statutorily established deductible to be paid by the insurance company providing the coverage.

However, if aggregate insured losses attributable to terrorist acts certified under the Act exceed \$100 billion in a Program Year (January 1 through December 31), the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

If aggregate insured losses attributable to terrorist acts certified under the Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

The portion of your policy's annual premium that is attributable to insurance for such acts of terrorism is: \$ **-0-**.
