3. We note your response to Comment 5. It appears that both your LotWatch and Service Watch products contain multiple deliverables that should be divided into separate units of accounting. Please tell us how the arrangement consideration is allocated between the product and service elements per ASC 605-25-25. Please refer to ASC 605-25-25 and 25-30 in your response.
4. In future filings please provide the disclosures required for multiple element arrangements per ASC 605-25-50-2. Your current disclosure only provides a general nature of the arrangements and does not address whether the significant deliverables qualify as separate units of accounting.

You may contact Robert Shapiro, Staff Accountant, at (202) 551-3273 or Robert S.
