**Re: StepOne Personal Health, Inc.  
Amendment No. 7 to Offering Statement on Form 1-A  
Filed August 18, 2015  
File No. 024-10385**

Dear Mr. Brandman:

Our preliminary review of your offering statement indicates that it fails in numerous material respects to comply with the requirements of the form. For instance, we note the following deficiencies:

1. Your document does not contain the financial statements required by Part F/S of Form 1-A. Please update your disclosures accordingly.
2. Your document does not appear to contain the information required by the following Items of Form 1-A: Items 2 (Table of Contents), 4 (Dilution), and 7 (Description of Business) of Part II and Item 16 (Index to Exhibits) of Part III. Please update your disclosures accordingly.
3. Please note that the Commission adopted new rules effective June 19, 2015, amending Regulation A to, among other things, modify the disclosure format of Form 1-A. Please be advised that the disclosure format in your Form 1-A is no longer available and you must transition to an approved disclosure format. Please refer to <http://www.sec.gov/rules/final/2015/33-9741.pdf> for additional guidance.

We will not be in a position to qualify the Form 1-A until you amend your offering statement to correct the deficiencies and address any comments we may have at that time.
