**Re: Terrapin 3 Acquisition Corporation
Draft Registration Statement on Form S-1
Submitted May 21, 2014
CIK No. 0001608298**

Dear Mr. Arora:

We have reviewed your draft registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by providing the requested information and either submitting an amended draft registration statement or publicly filing your registration statement on EDGAR. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing the information you provide in response to these comments and your amended draft registration statement or filed registration statement, we may have additional comments.

1. Please supplementally provide us with copies of all written communications, as defined in Rule 405 under the Securities Act, that you, or anyone authorized to do so on your behalf, present to potential investors in reliance on Section 5(d) of the Securities Act, whether or not they retain copies of the communications. Similarly, please supplementally provide us with any research reports about you that are published or distributed in reliance upon Section 2(a)(3) of the Securities Act of 1933 added by Section 105(a) of the Jumpstart Our Business Startups Act by any broker or dealer that is participating or will participate in your offering.
2. Prior to the effectiveness of the registration statement, please ensure that we receive a copy of the letter, or a phone call, from FINRA, stating that FINRA has finished its review and has no concerns regarding the proposed underwriting arrangements.

3. We note your description of the “forward purchase contract,” the first risk factor on page 32, and Section 3.3.4 of exhibit 10.11. It appears that Macquarie is not obligated to purchase the securities unless Macquarie consents to the business combination, which it may withhold in its sole discretion. Please clarify throughout the filing the non-binding nature of the arrangement, and advise us why you believe it is appropriate to identify the agreement as a “forward purchase contract” given its non-binding nature.

Prospectus Cover Page

4. Please limit your disclosure to one page and move the information that is not required by Item 501 or is not key to an investment decision off the cover page. See Item 501(b) of Regulation S-K.
5. Please provide a summary of the securities subscription agreement in an appropriate location in the registration statement.

15. We note that you have granted Macquarie Capital (USA) Inc. a right of first refusal for a period of 36 months to provide certain financial advisory, underwriting, capital raising, and other services for which they may receive fees. Please clarify how you will determine the amount of, and the principles you intend to follow in paying, any such fees. Please also provide this information under the Underwriting section.
