1. Given your added disclosure that the underwriter or its designees are participating in the unregistered transaction, please tell us why the penultimate sentence of the third paragraph of this section, and similar disclosure elsewhere in your prospectus, continues to refer only to your initial stockholders.

Principal Stockholders, page 74

2. Please expand the disclosure in footnote (9) on page 75 to identify the members of the investment committee.

3. Refer to the first paragraph after the footnotes on page 75. Please identify the four stockholders who have indicated an interest in purchasing over 40% of the offered shares. From your revised disclosure, it should be clear the extent to which those who have indicated interest are within your director and officer group, and the extent to which those who have indicated interest are already identified in your beneficial ownership table.
