Dear Ms. Clark:

We have reviewed your amended registration statement and have the following comments. Where indicated, we think you should revise your document in response to these comments. Unless otherwise noted, references to prior comments are to those issued in our letter dated October 8, 2014.

General

1. We note your response to prior comment 2 and the responsive disclosure added to the filing. Please also briefly discuss the prohibition on the use of Form S-8 by shell companies.

Risks Related to this Offering

We are selling up to 944,500 shares of our common stock..., page 15

2. We note your response to prior comment 10. Please revise to remove the statements in the risk factor that the shares of common stock are being sold on a self-underwritten basis.

4. Please revise the statements in this section regarding the ability of security holders to sell their shares in reliance on Rule 144 to clarify, as you have elsewhere in the filing, that the Rule 144 safe harbor is not available for resales of shell company securities.

Exhibits

5. We are reissuing prior comment 14. Please tell us what consideration you gave to filing your agreements with your third-party data center providers as exhibits to your registration statement. Refer to Item 601(b)(10)(ii)(B) of Regulation S-K.
