**Re: Fintech Acquisition Corp.
Amendment No. 1 to Draft Registration Statement on Form S-1
Submitted on November 24, 2014
File No. 377-00783**

Dear Mr. McEntee:

We have reviewed your draft registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by providing the requested information and either submitting an amended draft registration statement or publicly filing your registration statement on EDGAR. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing the information you provide in response to these comments and your amended draft registration statement or filed registration statement, we may have additional comments.

Summary Financial Data, page 20

1. We note your response to comment 5 from our letter dated October 6, 2014. You indicated that your presentation is consistent with the prospectus of special purpose acquisition companies (SPAC). However, we note that a SPAC that files a registration statement on Form S-1 should comply with item 301 of Regulation S-K with respect to the presentation of selected financial data. Therefore, we continue to believe you should remove the "As Adjusted" column from your summary financial data.
