Mr. Larry Spigel
Assistant Director
United States Securities & Exchange Commission

Mr. Brandon Hill
Attorney - Advisor
United States Securities & Exchange Commission

Ms. Celeste M. Murphy
Legal Branch Chief
United States Securities & Exchange Commission

Dear Mr. Larry Spigel, Mr. Brandon Hill & Ms. Celeste Murphy;

Enclosed you will find the Amended Regulation A Submission for **Broadcast 3DTV, Inc.**, which is being filed in response to the comment letter received from you on September 26th, 2014.

RESPONSES:

Item #1:

The Relationship between Broadcast 3DTV, Inc. and ASM is clearly defined below and through the Registration Statement and in the attached.:

The Alternative Securities Market Group (ASM) maintains an online portal for investors to purchase into our offering, and performs certain services for us in connection with the offering such as but not limited to distributing ongoing reports about our company. ASM is exclusively an ancillary service provider that will be reimbursed for documented expenses. The Company will be selling these Securities directly, and no underwriter or dealer is responsible for the distribution of this offering.

Although both Broadcast 3DTV, Inc. and ASM believe ASM's web portal will be sufficient to ensure success of the offering, the Company's relation with ASM is non-exclusive and the Company both has and reserves the right to enlist the aid of FINRA registered broker dealers if it is necessary to ensure success of the Offering. If so an appropriate Amendment shall be filed in a timely fashion.

To facilitate Broadcast 3DTV, Inc.'s liquidity at the onset of this Offering, in lieu of cash for its assistance in the obtaining a CIK No. and its assistance in the preparation of the registration statement, ASM has agreed to accept TWO THOUSAND shares of common Stock in the Company, representing 2% (two percent) of outstanding common stock shares upon completion of this Offering.

ASM will not receive any selling commissions; nor will it receive any fixed percentage of the Offering Proceeds as might a FINRA registered broker dealer. ASM will only receive documented expenses. Although ASM's expenses are likely to be somewhat proportional to the amount raised as they will be incurred during the duration of the raise, reimbursement of such documented expenses is **capped at an expense amount not to exceed 5% of the Offering proceeds.** Hence ASM does not qualify as an underwriter.

The Statement "The Alternative Securities Markets Group prides itself in being able to offer investors value added investment opportunities with opportunistic return potential" has nothing to do with the distribution of an issuers securities. The statement has ONLY to do with the vast due diligence that the Alternative Securities Markets does in vetting the issuers it "allow" to participate on the Alternative Securities Market.

The Following has been added to the Risk Factors Section of the Registration Statement in response to this comment.

Unavailability of Rule 144 for Resales

The Company may be regarded under Rule 12b-2 of the Securities Exchange Act of 1934 as a shell company. Shareholders who hold shares which are not subject to a registration statement under the Securities Act often rely upon Rule 144 for their resale. Rule 144 is not available for the resale of securities initially issued by either reporting or non-reporting shell companies (other than a business combination related shell company) or an issuer that has been, at any time previously, a reporting or non-reporting shell company, unless the issuer meets specified conditions. A security holder may resell securities pursuant to Rule 144's Safe Harbor if the following conditions are met:

- 1) The Issuer of Securities that was formerly a reporting or non-reporting company has ceased to be a shell;
- 2) The Issuer of the Securities is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act;
- 3) The Issuer of the Securities has filed all reports and material required to be filed under Section 13 or 15(d) of the Exchange Act, as applicable, during the preceding 12 months (or for such shorter period that the issuer was required to file such reports and materials), other than Form 8-K reports; and
- 4) At least one year has elapsed from the time the issuer filed current Form 10 type information with the SEC reflecting its status as an entity that is not a shell company.

Item #10:

The issuance of all the foregoing shares was in reliance of the exception from registration afforded by Section 4(2) of the Securities Act of 1933, as amended.

Item #11:

The below was added to the Risk Factor section of the Registration Statement to detail "Dilution"

Dilution

The Company, for business purposes, may from time to time issue additional shares, which may result in dilution of existing shareholders. Dilution is a reduction in the percentage of a stock caused by the issuance of new stock. Dilution can also occur when holders of stock options (such as company employees) or holders of other optionable securities exercise their options.

Alternative Securities Markets Group

Corporate: 4050 Glencoe Avenue, Marina Del Rey, California 90292
Office: (213) 407 - 4386 / Email: Legal@AlternativeSecuritiesMarket.com
<http://www.AlternativeSecuritiesMarket.com>

When the number of shares outstanding increases, each existing stockholder will own a smaller, or diluted, percentage of the Company, making each share less valuable. Dilution may also reduce the value of existing shares by reducing the stock's earnings per share. There is no guarantee that dilution of the Common Stock will not occur in the future.

Item #12:

With the Emergence of the whole "CrowdFunding" and "Crowdsourcing" movement, the public solicitation of investment from investors for investment in "Alternative Securities" is a relatively new space, and investors that may have not have had as much exposure to these types of investment opportunities may be considering this investment opportunity for their private portfolio, and may so without the advice of legal counsel or a registered investment advisor. Since our qualified Form 1-A will act as the Company's Investment Prospectus, we respectfully request that the multiple definitions of the Preferred Stock be allowed to stay in the Registration Statement to ensure that all potential investors review the terms of the investment on more than once occasion in the reading of the Registration Statement.

Item #13:

See Response to Item #13

Item #14:

Per the Comment, the below was copied from the front cover of the Registration Statement and also included on the front page cover of Part II,

**THIS OFFERING STATEMENT SHALL ONLY BE QUALIFIED UPON ORDER OF THE COMMISSION, UNLESS
A SUBSEQUENT AMENDMENT IS FILED INDICATING THE INTENTION TO BECOME QUALIFIED BY
OPERATION OF THE TERM OF REGULATION A.**

Two paragraphs later in Part II, the following paragraph reads:

We are offering a maximum of 10,000 9% Convertible Preferred Stock Units (the "Securities"). This Offering Statement shall only be qualified upon order of the Commission, unless a subsequent amendment is filed indicating the intention to become qualified by operation of the terms of Regulation A.

Item #15:

In the 40+ SEC Form 1-As submitted to ASMG Companies in 2014, this is the only comment for such a change. We respectfully request reconsideration on this comment, if it is required, we will move, but we are trying to keep all SEC Form 1-As for all Regulation A Offering for all companies "uniformed" for ASMG Companies. Though we do not promote any companies or securities on the Alternative Securities Market, we do promote the Market for Investors to come and explore and consider investing in companies associated with the Market. We are making strong efforts to keep the layout and format of all Form 1-As consistent with each other. The change of the format to comply with this comment will require the Company to have a format for this section that falls outside the ASMG Standard.

Item #16:

The paragraph has been removed.

THESE SECURITIES ARE OFFERED PURSUANT TO AN EXEMPTION FROM REGISTRATION WITH THE COMMISSION; HOWEVER, THE COMMISSION HAS NOT MADE AN INDEPENDENT DETERMINATION THAT THE SECURITIES OFFERED HEREUNDER ARE EXEMPT FROM REGISTRATION.

Item #21:

minimum amount of Securities that need to be sold in this offering for the Company to access the investment funds is \$100,000. After the Minimum Amount of Capital required to be reached, all Investor funds will be transferred from the Company's Investment Holding Account to the Company. The Company cannot assure you that subscriptions for the entire Offering will be obtained. The Company has the right to terminate this offering of Securities at any time, regardless of the number of Securities that have sold. If the Offering terminates before the offering minimum is achieved, or if any prospective Investor's subscription is rejected, all funds received from such Investors will be returned without interest or deduction. The Company's ability to meet financial obligations, cash needs, and to achieve objectives, could be adversely affected if the entire offering of Securities is not fully subscribed.

Item #27:

Per Comment, the below is part of the Part II Cover Page

This Offering is being conducted on a "best-efforts" basis, which means the Company's Management, Mr. Dean Zanetos and Mr. Sidney Kassouf, will use all commercially reasonable efforts in an attempt to sell all Securities of this Offering. No Manager of the Company will receive any commission or any other remuneration for the sales of securities through this Offering. In offering the Securities, the Company's Management will rely on the safe harbor from broker-dealer registration set out in Rule 3a4-1 under the Securities Exchange Act of 1934.

Item #28:

Per Comment, the entire Registration Document states that the Company currently is offering all units through Managers of the Company, but MAY IN THE FUTURE retain the services of a Dealer Broker. All references to this read like the below from the Risk Factors:

The Securities are offered on a "best efforts" basis by the Company Managers, without compensation and on a "best efforts" basis. The Company may in the future enter into an agreement with certain FINRA registered broker-dealers, which enter into Participating Broker-Dealer Agreements with the Company. Accordingly, there is no assurance that the Company, or any FINRA broker-dealer, will sell the maximum Securities offered or any lesser amount.
