Revenue and Customer Contract Balances, page 86

1. We note from your disclosure that you disaggregate revenue by segment and geography and by product and service revenue. However, we note that in the quarterly earnings calls, you disclose revenue by end market. For example, in the earnings call for the quarter ended February 26, 2022, you disclose that net sales by end market for the second quarter of 2022 was as follows: mobile and PCs was 23%; network and telecom, 11%; servers and storage, 15%; AI, data analytics and machine learning, 12%; advanced lighting, 24%; and industrial, defense and other, 15%. Please revise your notes to the financial statements in future filings to include this additional disaggregated revenue information as instructed in the guidance in ASC 606-10-55-89 through 91, or explain why you do not believe such disclosure is necessary.
