OCEAN TOMO INVESTMENT GROUP, LLC

NOTES TO FINANCIAL STATEMENT DECEMBER 31, 2023

NOTE 1. DESCRIPTION OF ORGANIZATION AND BUSINESS

Ocean Tomo Investment Group (the "Company") is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA") formed for the purpose of providing broker-dealer services including financial advisory services, equity financing, leveraged buy-outs and distressed corporate advisory services to hedge funds, and to engage in private placement of securities and similar services. The Company's sole member is Ocean Tomo, LLC.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

These financial statements were prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Income Taxes

The Company is a single member limited liability company and is treated as a disregarded entity for income tax purposes; it therefore does not incur income taxes at the Company level. Instead its earnings and losses are passed through to the member and included in the calculation of the member's tax liability. Accordingly, no provision for income taxes has been made in the accompanying financial statements. At December 31, 2023, management had determined that the company had no uncertain tax position that would require financial statement recognition.

Contract assets and liabilities

Contract assets represent the Company's right to consideration in exchange for goods or services that the Company has transferred to a customer, excluding unconditional rights to consideration that are presented as receivables. Contract liabilities represent the Company's obligation to deliver products or provide data to customers in the future for which cash has already been received. The Company had no contract assets or liabilities at January 1, 2023 and December 31, 2023.

The allowance for credit losses

ASC Topic 326, Financial Instruments – Credit Losses ("ASC 326") impacts the impairment model for certain financial assets by requiring a current expected credit loss ("CECL") methodology to estimate expected credit losses over the entire life of the financial asset. Under ASC 326, the Company could determine there are no expected credit losses in certain circumstances (e.g., based on the credit quality of the client).

OCEAN TOMO INVESTMENT GROUP, LLC

NOTES TO FINANCIAL STATEMENT DECEMBER 31, 2023

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The allowance for credit losses (continued)

The allowance for credit losses is based on the Company's expectation of the collectability of financial instruments, including fees and other receivables utilizing the CECL framework. The Company considers factors such as historical experience, credit quality, age of balances and current and future economic conditions that may affect the Company's expectation of the collectability in determining the allowance for credit losses. Under the standard, the allowance for credit losses must be deducted from the amortized cost of the financial asset to present the net amount expected to be collected.

The statement of operations would reflect the measurement of credit losses for newly recognized financial assets as well as the expected increases or decreases of expected credit losses that might have taken place during the period. The Company has not provided an allowance for credit losses at December 31, 2023 since other than cash it does not have any financial instruments.

NOTE 3. RELATED PARTY TRANSACTIONS

In accordance with a services agreement, the Company's affiliate pays for various specified expenses for which the Company compensates the affiliate in the form of a management fee and for various other expenses, such as sundry professional services, for which the Company does not reimburse the affiliate.

During the year covered in this report, the Company incurred \$36,000 for management fees which have been included in Due to Parent on the accompanying statement of financial condition.

NOTE 4. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1. This Rule requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital both as defined shall not exceed 15 to 1 and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2023 the Company's net capital was \$60,751 which was \$55,751 in excess of its minimum requirement of \$5,000.

NOTE 5. RULE 15C3-3

The Company does not handle cash or securities on behalf of customers and accordingly has no obligation under SEC Rule 15c3-3.

NOTE 6. CONCENTRATIONS OF CREDIT RISK

The Company maintains its cash balance in one financial institution. The Company does not consider itself to be at risk with respect to its cash.
