Re: Guggenheim Defined Portfolios, Series 1308
File Nos. 333-202958 and 811-03763

Dear Mr. Fess:

On March 24, 2015, you filed a registration statement on Form S-6 for Guggenheim Defined Portfolios, Series 1308 (the "Fund"), consisting of a unit investment trust, UBS Check-A-Month List: Equity Advisory Group, April 2015 Series (the "Trust"). We have reviewed the registration statement, and have provided our comments below. For convenience, we generally organized our comments using headings and defined terms from the registration statement. Where a comment is made in one location, it is applicable to all similar disclosure appearing elsewhere in the registration statement.

PROSPECTUS

Investment Summary — Principal Investment Strategy

1. The first sentence in this section states that the Trust will invest at least 80% of its assets in equity securities. Since the name of the Trust includes the term "UBS Check-A-Month List," please revise this sentence to provide a policy to invest at least 80% of the Trust's assets in equity securities that are on the UBS Check-A-Month List. See Rule 35d-1(a)(2) under the Investment Company Act of 1940.

Investment Summary — Security Selection

2. The third bullet point in this section states that each security selected for the sub-universe must have a “free cash flow yield greater than 4%.” Since the discussion of the yield may be considered an implied representation about future investment performance, please delete the disclosure of a “yield greater than 4%.” See Rule 156(b)(2)(ii) under the Securities Act of 1933 (the “Securities Act”).

3. The last sentence in this section states that “[t]he final portfolio will be equally weighted.” Please clarify that the *securities* selected for the final portfolio will be equally weighted, and describe how many securities will be selected for the final portfolio.

Investment Summary — Principal Risks

4. The second bullet point in this section states that the Trust invests in ADRs and GDRs. Please disclose the Trust’s strategies for its investments in ADRs and GDRs in the principal investment strategy section.

GENERAL COMMENTS

5. We note that portions of the filing are incomplete. We may have additional comments on such portions when you complete them in pre-effective amendments, on disclosures made in response to this letter, on information you supply to us, or on exhibits added in any pre-effective amendments.

6. Responses to this letter should be in the form of a pre-effective amendment filed pursuant to Rule 472 under the Securities Act. Where no change will be made in the filing in response to a comment, please indicate this fact in a letter to us and briefly state the basis for your position.

7. We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing reviewed by the staff to be certain that they have provided all information investors require to make an informed decision. Since the Fund and its sponsor are in possession of all facts relating to the Fund's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

Notwithstanding our comments, in the event the Fund requests acceleration of the effective date of the pending registration statement, it should furnish a letter, at the time of such request, acknowledging that

- should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing;

- the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the Fund from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and

- the Fund may not assert this action as a defense in any proceeding initiated by the Commission or any person under federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Investment Management in connection with our review of your filing or in response to our comments on your filing.

We will consider a written request for acceleration of the effective date of the registration statement as a confirmation of the fact that those requesting acceleration are aware of their respective responsibilities.

Should you have any questions prior to filing a pre-effective amendment, please feel free to contact me at 202-551-6959.

Sincerely,

/s/ Edward P. Bartz
