RE: Carey Credit Income Fund 2016 T
Rule 17g-1 Filing of Fidelity Bond

Dear Sir or Madam:

On behalf of Carey Credit Income Fund 2016 T ("CCIF 2016T"), a Delaware statutory trust that has elected to be treated as a business development company under the Investment Company Act of 1940 (the "1940 Act"), I am filing the following documents pursuant to Rule 17g-1 under the 1940 Act:

1. A copy of CCIF 2016T's joint insured fidelity bond;
2. A copy of the joint fidelity bond agreement between Carey Credit Income Fund, the Master Fund, and all of the other named insureds, which includes CCIF 2016T;
3. A Certificate of the Secretary of CCIF 2016T containing the resolutions of the Board of Trustees approving the amount, type, form and coverage of the joint fidelity bond; and
4. Premiums have been paid for the period beginning February 23, 2015 through February 23, 2016.

CCIF 2016T would have provided and maintained a single insured bond in the amount of at least \$50,000 had it not been named as an insured under a joint insured bond. The Master Fund has paid a premium for a \$1.0 million bond for the policy period of February 23, 2015 through February 23, 2016.

If you have any questions about this filing, please contact the undersigned at 212-492-1100.

Sincerely,

/s/ Paul S. Saint-Pierre

POLICYHOLDER
DISCLOSURE NOTICE OF
TERRORISM INSURANCE COVERAGE
(for policies with no terrorism exclusion or sublimit)

You are hereby notified that, under the Terrorism Risk Insurance Act (the “Act”), effective December 26, 2007, this policy makes available to you insurance for losses arising out of certain acts of terrorism. Terrorism is defined as any act certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that the insurance provided by your policy for losses caused by acts of terrorism is partially reimbursed by the United States under the formula set forth in the Act. Under this formula, the United States pays 85% of covered terrorism losses that exceed the statutorily established deductible to be paid by the insurance company providing the coverage.

However, if aggregate insured losses attributable to terrorist acts certified under the Act exceed \$100 billion in a Program Year (January 1 through December 31), the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

10-02-1281 (Ed. 1/2003)

If aggregate insured losses attributable to terrorist acts certified under the Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury

The portion of your policy’s annual premium that is attributable to insurance for such acts of terrorism is: \$ **-0-**.
