The order permits certain business development companies and closed-end management investment companies (“Regulated Funds”) to co-invest in portfolio companies with each other and with affiliated investment funds.

On June 2, 2016, a notice of the filing of the application was issued (Investment Company Act Release No. 32138). The notice gave interested persons an opportunity to request a hearing and stated that an order disposing of the application would be issued unless a hearing was ordered. No request for a hearing has been filed, and the Commission has not ordered a hearing.

The matter has been considered and it is found, on the basis of the information set forth in the application, as amended, that participation by the Regulated Funds in the proposed transactions is consistent with the provisions, policies and purposes of the Act and is on a basis no less advantageous than that of other participants.

Accordingly,

IT IS ORDERED, Carey Credit Income Fund, et al. (File No. 812-14426) is granted, effective immediately, subject to the conditions contained in the application, as amended.

For the Commission, by the Division of Investment Management, under delegated authority.
