General

1. Reference to page A-90 of the prospectus indicates that your general partner may elect, without unitholder approval, to cause Common Units held by Persons who are not Affiliates of the General Partner to be converted into or exchanged for interests in a newly formed entity taxable as a corporation or an entity taxable at the entity level for U.S. federal (or applicable state and local) income tax purposes. Please confirm that you will register such conversion unless an exemption from registration is available. See Securities Act Section 2(a)(3).
