Dear Mr. Kalnins:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our April 20, 2015 letter.

Management's Discussion and Analysis or Plan of Operation, page 15

1. Please provide a discussion and analysis of any material changes in financial condition or results of operations from the end of the preceding reporting period ended November 30, 2014 to the end of the most recent reporting period ended February 28, 2015. Refer to Item 303(b) of Regulation S-K. In doing so, please explain how and why your revenue has increased, given that your web-site continues to be under development and you have no store-front from which to make sales.

Financial Statements, page F-1

2. Notwithstanding your response to prior comment 3, please amend your filing to provide consistent audited financial information throughout the prospectus.
