Re: Winton Diversified Opportunities Fund ("Fund")
File No. 811-23026

Dear Mr. Graber:

On January 28, 2015, the Fund filed a registration statement on Form N-2 under the Investment Company Act of 1940 ("Company Act"). Based on our review of the filing, we have the following comments. Comments we give in one section apply to other sections in the filing that contain the same or similar disclosure. The captions we use below correspond to the captions the Fund uses in the registration statement. All capitalized terms not otherwise defined herein have the meaning given to them in the registration statement.

Prospectus

With respect to the Subsidiary:

1. Disclose (a) that the Fund complies with the provisions of the Investment Company Act of 1940 governing investment policies (Section 8) and capital structure and leverage (Section 18) on an aggregate basis with the Subsidiary.
2. Disclose that each investment adviser to the Subsidiary complies with provisions of the Investment Company Act relating to investment advisory contracts (Section 15) as an investment adviser to the fund under Section 2(a) (20) of the Investment Company Act. The investment advisory agreement between the Subsidiary and its investment adviser is a material contract that should be included as an exhibit to the registration statement.
3. Disclose that the Subsidiary complies with provisions relating to affiliated transactions and custody (Section 17). Identify the custodian of the Subsidiary.
4. Disclose whether the Fund has received a private letter ruling from the Internal Revenue Service stating that undistributed income derived from the Subsidiary is qualifying income, and, if the Fund has not received a private letter ruling, its basis for determining that such undistributed income is qualifying income, such as an opinion of counsel.
5. Disclose, as appropriate, whether any of the Subsidiary's principal investment strategies or principal risks constitute principal investment strategies or risks of the Fund. The

principal investment strategies and principal risk disclosures of a Fund that invests in a Subsidiary should reflect aggregate operations of the Fund and the Subsidiary.

6. Confirm that the financial statements of the Subsidiary will be consolidated with those of the Fund.
7. Confirm in correspondence that: (a) the Subsidiary's expenses will be included in the Fund's prospectus fee table; (b) the Subsidiary and its board of directors will agree to designate an agent for service of process in the United States; (c) the Subsidiary and its board of directors will agree to inspection of the Subsidiary's books and records by the staff; and (d) the Subsidiary's board of directors will sign the Fund's registration statement.

Prospectus Summary (pp. 4-11)

8. Under the caption "*Investment Objective*" the prospectus states that "[t]he investment strategy of the Fund is to invest globally long and short, using leverage, in a diversified range of liquid instruments." [Emphasis added.] Use a different term than "diversified," as that term is defined in section 5(b)(1) of the Investment Company Act of 1940.
9. Under the caption "*Risk Profile*" add the disclosure that "[t]here can be no assurance that the targets will be met and these targets are not a guarantee or prediction of the Fund's actual losses or volatility." Generally, under the discussion of the annualized volatility target, explain whether the Fund will seek to increase the volatility in the Fund if it is too low, and if so, how that would be achieved. Explain how the Fund intends to "*target*" monthly losses and disclose that the Fund may not be successful in limiting monthly losses.

Fee Table (p.12)

10. The prospectus states that "[t]he Fund does not currently charge a repurchase fee. However, the Fund may charge a repurchase fee of up to 2.00%, which the Fund would retain to help offset non-DE MINIMIS estimated costs related to the repurchase incurred by the Fund, directly or indirectly, as a result of repurchasing shares, thus allocating estimated transaction costs to the shareholder whose shares are being repurchased." Include the repurchase fee in the fee table. The fact that such fees are not currently imposed may be described briefly in a note to the table.

Investment Strategies (p. 14)

11. Under the caption "*Investment Strategies*" describe with more specificity how the Fund intends to allocate its investments among the asset types described.

12. The prospectus states that the Fund may invest in “*cash equities*.” Explain whether this means that the “*equities*” will be purchased long (*i.e.*, without margin).
