**NOVA CAPITAL SOLUTIONS, LLC
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2021**

NOTE 1 - DESCRIPTION OF BUSINESS

Nova Capital Solutions, LLC (the "Company") is registered as a broker-dealer in securities transactions under the Securities Exchange Act of 1934. The Company is a member of the Financial Industry Regulatory Inc. (FINRA) and the Securities Investor Protection Corporation. The Company is a Florida Limited Liability Corporation. The Company has adopted December 31st as its year-end.

Nova Capital Solutions, LLC has been formed to provide financial advisory and private placement services to early stage, growth stage and mature corporate entities. Nova Capital has designed structured programs for arranging financings and effecting M&A transactions. The Company expects that 70%-80% of its business will be related to arranging financings.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Company's financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Cash and Cash Equivalents

The Company considers all highly liquid debt instruments with original maturities of three months or less to be cash equivalents.

Property and Equipment

The company has no property or equipment yet. The main office is in the CEO's residence. The accounting treatment for property and equipment will be stated at cost less accumulated depreciation. Depreciation and amortization will be provided using the straight-line method over the estimated economic lives of the assets, which are from five to seven years. Expenditures for maintenance and repairs are charged to expense as incurred.

Depreciation expense amounted to \$0 for the year ended December 31, 2021.

Revenue Recognition Standard ASC-606

In May 2104, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, "Revenue from Contracts with Customers." This standard along with its related amendments, requires companies to recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The Financial Accounting Standards Board (FASB) issued (ASU) No. 2015-14 that deferred the effective date until annual periods beginning after December 15, 2019. Earlier adoption is permitted subject to certain limitations. The Financial Accounting Standards Board (FASB) allows two adoption methods under ASC 606. Companies are permitted to either apply the requirements retrospectively to all prior periods presented, or apply the requirements in the year of adoption, through cumulative adjustment. The Company believes that it will not have a material impact on its financial statements.

NOVA CAPITAL SOLUTIONS, LLC
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2021

Revenue Recognition Standard ASC-606 (continued)

The Company earns revenue from investment banking, consulting, and participating in private placements as a selling group member. Fees for investment banking and consulting are recognized as services provided. Investment banking fees are generally based on a percentage of the total value of a transaction and are recognized upon successful completion. Sales commissions earned as a selling group member are recognized upon the successfully executed and approved subscription agreement. The Company earned \$59,125 in revenue the year ended December 31, 2021.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

Nova Capital was organized on October 9, 2014 as a limited liability company. The Company is treated as a partnership for Federal and State income tax purposes. Under subchapter K of the Internal Revenue Code, each member is taxed separately on their distributive share of the Company's income whether or not that income is actually distributed. Accordingly, no provision for income taxes has been recorded in the accompanying statement of operations for the year ended December 31, 2021.

NOTE 3 – RELATED PARTY TRANSACTIONS

There were no related party transactions during the audit year.

NOTE 4 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1, except for the first 12 months of operations when it shall not exceed 8 to 1 (and the rule of the “applicable” exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2021, the Company had net capital of \$16,447, which was \$11,447 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital computed in accordance with Rule 15c3-1 was .074 to 1.

NOTE 5 – CONCENTRATIONS OF CREDIT RISK

The Company maintains its cash in bank accounts at high credit quality financial institutions. The balances have not exceeded federally insured limits of \$250,000 during the fiscal year ended December 31, 2021.

During the year ended December 31, 2021, the Company derived their revenues from fees earned from private placements, however, a customer concentration is not applicable.

NOVA CAPITAL SOLUTIONS, LLC
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2021

NOTE 6 – FAIR VALUE OF FINANCIAL INSTRUMENTS

At December 31, 2021, the Company's financial instruments consist of cash. The fair value of cash is based upon the bank balance at December 31, 2021.

NOTE 7 – COMMITMENTS AND CONTINGENCIES

The Company is located at 1600 SE 15th Street, Suite 305, Fort Lauderdale, Florida 33316. This is a private residence and there is no lease commitment. No minimum future lease payments are applicable for disclosure.

NOTE 8- NEW ACCOUNTING PRONOUNCEMENTS

In 2018, the Financial Accounting Standards Board ("FASB") adopted ASC 606, Revenue from Contracts with Customers, which will supersede nearly all existing revenue recognition guidance under accounting principles generally accepted in the United States. The core principle of this standard is that revenue should be recognized for the amount of consideration expected to be received for promised goods or services transferred to customers. This standard became effective for the Company for the annual reporting period beginning after December 15, 2018.

The Company has evaluated the new guidance and the adoption is not expected to have a significant impact on the Company's financial statements and a cumulative effect adjustment under the modified retrospective method of adoption will not be necessary.

NOTE 9 – SUBSEQUENT EVENTS

Subsequent events have been evaluated through March 28, 2022, the date the financial statements were available to be issued. There are no subsequent events.
