Dear Mr. Berce:

We have reviewed your registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments.

Registration Statement on Form S-3

General

1. Please note that our comments to either the base prospectus or the prospectus supplement should be applied universally, if applicable. Accordingly, if comments issued for one apply to the other, make conforming revisions as appropriate. Please confirm to us in your response that you will comply with this instruction and indicate in your response the page numbers of where related revisions are made in the base prospectus and the prospectus supplement, as applicable.
2. Please confirm that all material terms to be included in the finalized agreements will also be disclosed in the final Rule 424(b) prospectus, or that finalized agreements will be filed

simultaneously with or prior to the final prospectus, including unqualified legal and tax opinions. Refer to Item 1100(f) of Regulation AB and Instruction 1 to Item 601 of Regulation S-K.

3. Please confirm that the portion of the securitized pool balance attributable to the residual value of the physical property underlying the leases, as determined in accordance with the transaction agreements for the securities, will not constitute 65% or more, as measured by dollar volume, of the securitized pool balance as of the measurement date.
4. The Commission recently adopted new rules and requirements for registered offerings of asset-backed securities. All ABS issuers must comply with the new rules and new forms, other than asset-level disclosures, no later than November 23, 2015. As an ABS issuer for auto leases, you will be required to comply with the asset-level disclosure requirements on November 23, 2016. See Release No. 33-9638 (Sept. 4, 2014) on the SEC public website for more information. Please supplementally confirm your understanding of the new requirements.

Also include the information required by Items 1103(a)(5) and 1111(g) of Regulation AB, as applicable.
