BAIN CAPITAL DISTRIBUTORS, LLC  
NOTES TO STATEMENT OF FINANCIAL CONDITION  
DECEMBER 31, 2021

NOTE 1 ORGANIZATION AND NATURE OF BUSINESS

Bain Capital Distributors, LLC (the "Company") was incorporated in Delaware on February 3, 2015, commenced operations on August 9, 2016, and is a wholly-owned subsidiary of BCFD, LLC (the "Parent"). Bain Capital Holdings, LP is the ultimate parent of BCFD, LLC. The Company operates as a broker-dealer with the United States Securities and Exchange Commission ("SEC") pursuant to the Securities Exchange Act of 1934 and applicable state securities statutes. The Company is a member of Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corporation ("SIPC"). The Company has a limited scope of business acting primarily as a limited purpose broker-dealer to offer interests in private funds sponsored and advised by affiliated investment advisors.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The Company maintains its books and records on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP"). Any references to particular accounting topics in US GAAP in the accompanying statement of financial condition are referring to the corresponding accounting topics in the Financial Accounting Standards Board Accounting Standards Codification ("ASC").

Use of estimates

The preparation of the statement of financial condition in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates included in the statement of financial condition.

Income taxes

The Company is not subject to federal and state income taxes as it is an LLC and treated as a disregarded entity for income tax reporting purposes. The member reports its distributive share of realized income or loss on its own tax returns, if any.

Fair value measurement

The carrying amounts of the following financial assets and financial liabilities approximate their fair values: receivable from parent, accounts payable and other liabilities, due to their short term nature.

## NOTE 3 CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of one bank account with a major bank which is insured up to \$250,000 by the Federal Deposit Insurance Corporation.

## NOTE 4 RELATED PARTY TRANSACTIONS

The Company is economically dependent on its Parent.

The Parent provides services to the Company and charges the Company for its share of expenses on a monthly basis as well as for invoices that are one hundred percent (100%) attributable to the Company.

Under the Services Agreement, the Company provided services to its Parent primarily by introducing U.S. prospects and clients to the Parent's investment management capabilities by offering interests in the private funds sponsored and advised by affiliated investment advisors. In consideration of such services, the Parent paid the Company a services agreement fee in an amount equal to 100% of all costs incurred by the Company.

The right of offset existed between the Company and the Parent and effectively allowed for the offsetting of receivables and payables between the Company and the Parent. Therefore, only a net receivable related to the activity under this agreement is recorded on the statement of financial condition. The related receivable from the Parent at December 31, 2021 was \$199,891 and is included in receivable from parent in the statement of financial condition

## NOTE 5 EXEMPTION FROM RULE 15c3-3

The Company does not claim an exemption under paragraph (k) of SEC Rule 15c3-3 of the Securities Exchange Act of 1934. The Company has represented that it does not and will not hold customer funds or securities, and has not been subject to the reserve computation or possession and control provisions of SEC Rule 15c3-3.

**NOTE 6      NET CAPITAL REQUIREMENT**

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1) which requires the maintenance of minimum net capital, as defined. The Company computes its net capital under the alternative method permitted by the net capital rule, which requires that minimum net capital shall not be less than the greater of \$250,000 or 2% of aggregate debit items arising from customer transactions. At December 31, 2021, the Company has net capital of \$679,696, which was \$429,696 in excess of its required net capital of \$250,000

**NOTE 7      CONCENTRATION OF CREDIT RISK**

The Company maintains its cash balances in a single financial institution which, at times, exceeds federally-insured limits. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant risk on cash and cash equivalents. At December 31, 2021, this credit risk amounts to approximately \$608,932.

**NOTE 8      GUARANTEES**

ASC 460, *Guarantees*, requires the Company to disclose information about its obligations under certain guarantee arrangements. ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying value (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability, or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement, as well as indirect guarantees of the indebtedness of others.

**NOTE 9      CONTINGENCIES**

In the ordinary course of business, the Company is subject to regulatory examinations, information gathering requests, inquiries, and investigations. As a registered broker/dealer, the Company is subject to regulation by the SEC, FINRA, and state securities regulators. In connection with formal and informal inquiries by those agencies, the Company may receive requests from such regulators. To date, there are no contingencies resulting from any regulatory review or inquiries.

NOTE 10      SUBSEQUENT EVENTS

The Company has performed an evaluation of events that have occurred subsequent to December 31, 2021 and through February, 25 2022 (the date this report was available to be issued). There have been no material subsequent events that occurred during such period that would require disclosure in this report or would be required to be recognized in the financial statements as of December 31, 2021.
