IASG Alternatives, LLC

#### Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of IASG Alternatives, LLC, as of December 31, 2022, and the related notes (collectively referred to as the financial statement). In my opinion, the financial statement presents fairly, in all material respects, the financial position of IASG Alternatives, LLC as of December 31, 2022 in conformity with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

This financial statement is the responsibility of IASG Alternatives, LLC's management. My responsibility is to express an opinion on IASG Alternatives, LLC's financial statement based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to IASG Alternatives, LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

**1. Organization and Business**

IASG Alternatives, LLC (the “Company”), an Illinois limited liability company, was formed on February 27, 2015 and commenced operations as broker-dealer on November 12, 2015. The Company is a broker-dealer registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority. The Company conducts business primarily in dealings with the private placement of securities. The broker-dealer operates primarily out of Illinois with another registered representative working out of Washington state. The Company’s primary source of revenue is introducing high net worth individuals to private placements focused in liquid alternatives.

**2. Method of Accounting**

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Fees Receivables

Fees receivables are stated at their estimated realizable value. Allowance is estimated by the Company based on an analysis of specific customers, taking into consideration the age of past due accounts and an assessment of the customer’s ability to pay. In the opinion of the Company, all receivables are collectible in full, therefore, there is no allowance for doubtful accounts at December 31, 2022.

Revenue Recognition

Revenue related to private placement offerings is recognized in the period the revenue is earned.

In May 2014, FASB issued ASU 2014-09, “Revenue from Contracts with Customers: Topic 606”, which supersedes nearly all existing revenue recognition guidance under generally accepted accounting principles. The Firm’s revenue recognition policy conforms with the pronouncement by recognizing revenue in accordance with five components of the pronouncement.

- Identify the contract with the customer
- Identify the performance obligation
- Determine the transaction price
- Allocate the transaction price to the performance obligation
- Recognize the revenue when the performance obligation is met
