Co-founded EQUITYMULTIPLE, a leading online investment platform that is leveraging technology to help modernize the real estate industry. As CEO, I'm responsible for shaping the strategic vision of the company and overseeing its daily operations. I also sit on the firm's investment committee and board of directors.

Prior to EQUITYMULTIPLE, I worked as a real estate attorney at Simpson, Thacher & Bartlett, where my primary clients were Blackstone and KKR. During my time at Simpson, I worked on over \$10 billion in transactions, including Blackstone's \$1.7 billion purchase of the Cosmopolitan Hotel, Blackstone's \$1.9 billion purchase of Motel 6 and Hilton's real estate asset restructuring and refinancing in advance of its \$2.5 billion IPO.
