Dear Mr. Kroll:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our February 28, 2018 letter.

General

1. We note your response to our prior comment 2. However, we cannot locate the historical audited financial statements of Intermeccanica for the fiscal year ended December 31, 2016 as well as the related unaudited financial statements for the subsequent interim period prior to its acquisition within the filing. Please advise us or revise your filing. Refer to Rule 3-05 of Regulation S-X.
2. We note that on June 4, 2018 you provided interim financial information for the registrant in a current report on Form 6-K. Please revise your registration statement to provide such interim financial information in your prospectus. Refer to Item 4 of Form F-1 and Item 8.A.5 of Form 20-F.
