General

1. This post-effective amendment was filed to update the financial information in your Form F-1, which last contained audited financial statements for the fiscal year ended December 31, 2017. Under Section 10(a)(3) of the Securities Act, "when a prospectus is used more than nine months after the effective date of the registration statement, the [audited financial] information contained therein shall be as of a date not more than sixteen months prior to such use." Please tell us whether you engaged in the offer or sale of your securities, including the issuance of securities pursuant to the exercise of your warrants, using the prospectus during which time the audited financial statements in the prospectus were not current.
