RSM US LLP

Report of Independent Registered Public Accounting Firm

To the Member of Intrepid Partners, LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Intrepid Partners, LLC (the Company) as of December 31, 2023, and the related notes (collectively, the financial statement). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2023, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

RSM US LLP

We have served as the Company's auditor since 2015.

Total liabilities and member's equity	<u>\$ 23,358,521</u>

The accompanying notes are an integral part of this statement of financial condition.

INTREPID PARTNERS, LLC

Statement of Financial Condition

As of December 31, 2023

1. Organization

Intrepid Partners, LLC (the "Company"), a wholly owned subsidiary of Intrepid Financial Partners LLC, ("TopCo"), is a Delaware limited liability company organized in February 2015. The Company is a registered broker-dealer with the Securities and Exchange Commission ("SEC") and a member of the Financial Industry Regulatory Authority, Inc. ("FINRA").

The Company provides financial advisory services including, but not limited to mergers and acquisition advice, capital structure and restructuring advice, and may from time to time assist with the private placement of securities in the energy sector.

The accompanying financial statements have been prepared from the separate records maintained by the Company and, due to certain transactions and agreements with TopCo, such financial statements may not necessarily be indicative of the financial condition that would have existed, or the results that would have been obtained from operations, had the Company operated as an unaffiliated entity.

2. Summary of Significant Accounting Policies

Basis of Presentation

The Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP"). The preparation of the financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash and Cash Equivalents

The Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. There are no cash equivalents at December 31, 2023.

Credit Losses

ASC Topic 326, Financial Instruments – Credit Losses ("ASC 326") impacts the impairment model for certain financial assets measured at amortized cost by requiring a current expected credit loss ("CECL") methodology to estimate expected credit losses over the entire life of the financial asset, recorded at inception or purchase. Under the accounting update, the Company has determined there are no expected credit losses in certain circumstances.

The allowance for credit losses is based on the Company's expectation of the collectability of financial instruments carried at amortized cost, including fees receivable utilizing the CECL framework. The Company considers factors such as historical experience, credit quality, age of balances and current and future economic conditions that may affect the Company's expectation of the collectability in determining the allowance for credit losses. The Company's expectation is that the credit risk associated with fees receivables is not significant until they are 90 days past due on the contractual arrangement and expectation of collection in accordance with industry standards. Management considers the receivables short-term in nature and does not believe that an allowance is required as of December 31, 2023.

INTREPID PARTNERS, LLC

Statement of Financial Condition

As of December 31, 2023

Income Taxes

The Company is a limited liability company and accordingly, no provision has been made in the accompanying financial statements for any federal or state income taxes. All revenue and expenses retain their character and pass directly to TopCo's income tax returns. The Company is subject to New York City unincorporated business tax ("UBT"). Given the Company is treated as a disregarded entity for tax purposes, TopCo assumes all tax liabilities.

The Company recognizes and measures its unrecognized tax benefits in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 740, Income Taxes. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances, and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change. The Company believes that it has no material uncertain income tax positions and accordingly, no liability has been recorded. The Company continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law, and new authoritative rulings.

3. Concentrations and Credit Risk

Cash held by financial institutions which exceed the Federal Deposit Insurance Corporation ("FDIC") limits expose the Company to concentrations of credit risk. Balances throughout the year usually exceed the maximum coverage provided by the FDIC on insured depositor accounts.

4. Indemnifications

In the normal course of business, the Company is subject to various claims, litigation, regulatory and arbitration matters. Because these claims and matters are at different stages, management is unable to predict their outcomes. The Company also enters into contracts that contain a variety of representations and warranties that provide indemnifications under certain circumstances. The Company's maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Company that has not yet occurred. The Company expects the risk of loss to be remote.

5. Related Party Transactions

The Company has entered into an Expense Sharing Agreement with TopCo. Expenses such as rent, utilities, communications, market data, office supplies, insurance, and payroll are allocated between the companies. At December 31, 2023, the Company owed \$10,706,632 to TopCo in connection with such agreement.

6. Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule ("Rule 15c3-1"), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the ratio exceeds 10 to 1. At December 31, 2023, the Company had net capital of \$11,624,229, which was \$10,878,429 in excess of its required net capital of \$745,800. The Company's ratio of aggregate indebtedness to net capital was .96 to 1.

INTREPID PARTNERS, LLC
Statement of Financial Condition
As of December 31, 2023

7. Exemption from Rule 15c3-3

The Company is exempt from the SEC Rule 15c3-3 pursuant to the exemption provision of such paragraph (k)(2)(i).

The Company's other business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 are limited to 1) merger and acquisition and other financial advisory services 2) private placement of securities in accordance with the requirements of paragraphs (a) or (b)(2) of Rule 15c2-4; and the Company (1) did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers; (2) did not carry accounts of or for customers; and (3) did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

8. Subsequent Events

The financial statements were evaluated through the date these financial statements were issued and no events have been identified that require disclosure.
