Re: Ollie's Bargain Outlet Holdings, Inc.
Amendment No. 2 to Registration Statement on Form S-1
Filed July 6, 2015
File No. 333-204942

Dear Mr. Swygert:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our July 2, 2015 letter.

Dilution, page 43

1. We note the table at the top of page 44 presenting the cash consideration paid to you by the existing shareholders and by the new investors. We also note your response to comment 3. Please tell us why your calculation of the effective cash consideration paid by your existing shareholders does not contemplate the dividends paid to those shareholders. In this regard, these cash dividends appear to reduce the effective cash cost of shares held by existing shareholders. You may also wish to include the calculation of the cash cost for existing shareholders in a footnote to this table so that your new investors understand how you derived that amount.
