#### New Normal Requires A New Solution

Cihan Fuat Atkin on LinkedIn

The entire entertainment industry, the world for that matter, is in new territory. Nobody knows what's going to happen next. Nobody also knows what any one state or country is going to do regarding shutdowns, mandates, travel bans, etc. Things..

XCINEX is an audience detection per-viewer transaction services technology. Utilizing its patented IP, the company has created Venue, a global entertainment system, which monitors the viewing area to confirm ticket to viewer ratio while streaming theatrical, live and premium content to the home. XCINEX's TV offering, through the same system called VenueTV, can stream any channel to the home on a per-viewer per-unit of time, i.e \$0.01 per-minute per-person model; giving its members the ultimate cord cutting TV entertainment experience. VenueTV also revolutionizes television advertising by guaranteeing eyeballs on commercials

Just a short while ago, we were a new start-up looking to get attention and create a lasting image. We wanted to share our idea with the world. We needed a short 90 second video that could explain our entire idea. After doing some research and talking with media companies, we noticed making a ... [See more](#)
