Form 10-12G
Filed August 25, 2015
File No. 000-55440

Dear Mr. Onghai:

We have reviewed your filing and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing your response and any amendment you may file in response to these comments, we may have additional comments.

Item 15. Financial Statements and Exhibits

1. We note that your exhibit list only includes one material contract to be filed pursuant to Item 601(b)(10) of Regulation S-K. We also note that LookSmart, Ltd.'s exhibit list included 33 material contracts in its most recent annual report on Form 10-K. Please revise to include all material contracts required to be filed by Item 601(b)(10) or advise.

Exhibit 2.2

2. Please tell us what consideration you have given to filing schedules or similar attachments to your assignment and assumption agreement. If you believe the schedules or similar attachments are not material, please file a revised agreement that contains a list that briefly identifies the contents of all omitted schedules. See Item 601(b)(2) of Regulation S-K.

Exhibit 99.1

Information Statement Cover Page, page 2

3. We note the statement on page 2 of your information statement that no vote of LookSmart, Ltd.'s stockholder is required and that stockholders are not being asked for a proxy and are requested not to send you a proxy in connection with the separation of LookSmart Group, Inc. from LookSmart, Ltd. Please reconcile this statement with the preliminary proxy statement filed by LookSmart, Ltd. and the Form F-4 filed by Pyxis Tankers on April 23, 2015. In those documents, it appears that the LookSmart, Ltd. shareholders are being asked to vote to approve the spin-off.
4. Please provide us with an analysis of why you believe you are an emerging growth company. In this regard, we note that you are continuing the business of LookSmart, Ltd., which was not an emerging growth company. We may have further comments after we review your response.

Business Overview

Planned Separation, page 6

5. We note that your board of directors engaged Gruppo, Levey & Co. and Source Capital Group, Inc. to act as its financial advisors and that the advisors rendered an opinion that the separation, distribution and merger transactions were fair to LookSmart, Ltd.'s stockholders. Please tell us what consideration you have given to further summarizing the opinion in your information statement and filing it as an exhibit to your registration statement.

9. Please revise to summarize the agreements you have entered into with LookSmart, Ltd. in connection with the separation, distribution and merger transactions. Please discuss this transaction here and file any related agreements as exhibits. Refer to Items 404(d) and 601(b)(10) of Regulation S-K.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
