Doug Levinson

Principal, Strategy That Rocks, LLC --- Powerfully Integrated
Management Consulting
Los Angeles

Summary

I help entrepreneurial companies grow, cope with challenges and prepare for sale, by refining their finances, operations, marketing and strategy. I have been an investment banker, a lawyer, a senior executive in public and private companies, a consultant an academic (at 4 top 20 graduate schools in two different disciplines) and a published author.

JD/MBA nearly 30 years experience providing value-added consulting services to a wide range of industries. My goal is to continue meeting talented, passionate businesspeople and to help their businesses succeed.

Extensive experience in writing business plans and financing proposals.

Specialties: Clear thought. Separating trees from forests. Creating value for my clients .

Experience

Strategy That Rocks, LLC
Principal
June 1990 - Present (31 years)

Strategy That Rocks, LLC serves small to medium-sized business from antibodies to auto bodies providing consulting on strategy, finance, operations and marketing. STR works with start-up businesses, high-growth businesses, and turn-arounds. STR provides internal and external consulting services on a long-term or project basis.

75/25, 3/4 of an MBA, 1/4 of the Grief
Author
January 2007 - Present (14 years 5 months)

This is a mass-market book designed to make business concepts and tools accessible to smart people who do not have a traditional business background. This book has been used in the Law Schools at USC, UC Berkeley, and Stanford.

University of Southern California

Adjunct Faculty

January 2004 - Present (17 years 5 months)

Business For Lawyers is essentially a mini-MBA curriculum for JD candidates. I created this class from scratch including more than 900 original PowerPoint slides with sound effects, graphics and animation. I also wrote a book to accompany this class -- 75/25, 3/4 of an MBA, 1/4 of the Grief. The class is very popular and routinely has long waiting lists.

Chimeric Technologies, Inc.

CEO

January 2001 - January 2008 (7 years 1 month)

Chimeric Technologies, Inc. is an antibody engineering firm owned and operated by UCLA senior immunology faculty. Chimeric develops products and provides consulting services related to chimeric antibodies, antibody fusion proteins and polymeric antibodies. Chimeric has received numerous NIH grants and its principals' work has been published extensively in prestigious, peer-reviewed journals.

Boalt Law School -- UC Berkeley

Adjunct Faculty

August 2005 - August 2007 (2 years 1 month)

Teach Business for Lawyers -- a course I created -- to JD Candidates.
