Form 10-K for Fiscal Year Ended December 31, 2023

Notes to Consolidated Financial Statements

15. Commitments and Contingencies, page 95

1. We note from disclosure elsewhere in your filing that an emergency response team of five was killed when their aircraft crashed in February, 2023, and that you purchased a replacement aircraft for approximately \$12 million. We note the legal contingency disclosure here does not indicate any ongoing litigation relating to or discussion of any insurance recovery for loss of the aircraft or deaths of these five employees. Please tell us in your response if you received any insurance proceeds related to this incident and whether you have settled or expect to make a settlement with regard to the deaths of these employees.

In closing, we remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
