How we intend to use the proceeds from the offering, page 34

5. We note on page 35 that you anticipate that New Bancorp will invest between \$2.4 million and \$4.1 million of the net proceeds in New Buffalo Savings Bank. We also note that New Buffalo Savings Bank intends to use approximately \$3.0 million of the proceeds it receives to pay costs associated with its withdrawal from the defined benefit plan. Please expand your disclosure to identify the sources of funds that New Buffalo Savings Bank intends to use to pay the costs of its withdrawal from the defined benefit plan if New Bancorp contributes less than \$3.0 million.
6. We note on page 38 that as of March 31, 2015, you had a Tier 1 leverage capital ratio of 11.4%. We also note that you intend to invest the proceeds of this offering as necessary so that New Buffalo Savings Bank will have a Tier 1 leverage ratio of at least 10.00% after payment of costs to withdraw from the defined benefit plan. Please expand your disclosure to clarify how much of the proceeds you anticipate will be required to maintain a Tier 1 leverage ratio of 10%.

Notwithstanding our comments, in the event you request acceleration of the effective date of the pending registration statement, please provide a written statement from the company acknowledging that:

- should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing;
- the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the company from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and
