Registration Statement on Form S-3

Our Partnership Agreement

Applicable Law; Exclusive Forum, page 19

1. We note that the forum selection provision set forth in Section 16.9(b)(i) of your partnership agreement identifies the Court of Chancery of the State of Delaware (or if such court does not have jurisdiction, any other court in the State of Delaware having jurisdiction) as the exclusive forum for certain litigation, including any such matter "brought in a derivative manner on behalf of the Partnership." We further note the references in Sections 16.9(b)(ii) and (b)(iii) to the "jurisdiction of the courts of the State of Delaware," which could be interpreted as referring only to state courts. Please disclose whether your forum selection provision applies to actions arising under the Securities Act or Exchange Act and also whether the references are intended to be limited to state

courts. In that regard, we note that Section 27 of the Exchange Act creates exclusive federal jurisdiction over all suits brought to enforce any duty or liability created by the Exchange Act or the rules and regulations thereunder, and Section 22 of the Securities Act creates concurrent jurisdiction for federal and state courts over all suits brought to enforce any duty or liability created by the Securities Act or the rules and regulations thereunder.

2. If the forum selection provision applies to Securities Act claims, please also revise your prospectus to state that investors cannot waive compliance with the federal securities laws and the rules and regulations thereunder. In addition, please expand your risk factor disclosure regarding the impact of your forum selection provision on those holding beneficial interests in the Partnership, including that investors may be subject to increased costs to bring a claim.
3. We note your disclosure that your partnership agreement includes a waiver of the right to trial by jury. Please revise your prospectus to address related risks and any uncertainty about enforceability. If the provision extends to claims under the federal securities law, please revise your prospectus to state that investors cannot waive compliance with the federal securities laws and rules and regulations promulgated thereunder. If the provision does not apply to claims under the federal securities laws, your prospectus should clearly state so.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

Refer to Rules 460 and 461 regarding requests for acceleration. Please allow adequate time for us to review any amendment prior to the requested effective date of the registration statement.

You may contact Irene Barberena-Meissner, Staff Attorney, at 202-551-6548 or Lauren Nguyen, Legal Branch Chief, at 202-551-3642 with any questions.

Sincerely,
