

The following appeared on the raliBox website (<http://rallibox.com/5-reasons-rallibox-is-the-tool-you-didnt-know-you-needed/>).

3. YOU WILL BE ABLE TO BUY STOCK IN RALLIBOX VERY SOON NOW FOR RELATIVELY CHEAP

image from www.davidfelamanblog.com

rallibox will be starting a regulation A+ equity offering very soon. This is based on a huge new law change that allows individuals to support and get involved in startups more - you can buy stock in this new start up which is clearly on the track to highly profitable success! Read more about this on the SEC website [here](http://www.sec.gov/news/pressrelease/2015-49.html).

The same information was also posted on the website: <http://www.buzzfeed.com/doombunny/5-reasons-rallibox-is-the-tool-you-didnt-know-you-1od8h>
